Buyer's Signature				
<p>Notice: This form shall be used only for vehicles with major structural or catastrophic mechanical failures that preclude the vehicle from being emissions tested. Vehicles where the primary mechanical failure is a failed emissions test, missing or modified emissions components including, but not limited to catalytic converters, oxygen sensors, air injection systems, EGR systems or modified computer programming will <u>not</u> be considered in catastrophic mechanical failure. Therefore, vehicles in this condition do not meet the requirements to be sold as "inoperable or otherwise cannot be tested".</p> <p>* Proof of towing shall be a requirement for vehicles sold as non-compliant. * Signed document with towing invoice to be made part of the Sales File. * Any misrepresentation of facts in the use of this document may result in the emissions compliance liability reverting back to the seller of the vehicle. * Fax completed form to DOR Emissions at (303) 205-5980.</p>
