### Additional Questions:

4. How should HCPF ensure they are getting input from all the interested voices? Is there anything that prevents you from speaking or asking questions during stakeholder meetings or engagements?
5. What is your preferred method (e.g. in-person meetings, phone calls, surveys, written testimony, email, other) for giving feedback or input?
6. How would you like to be informed about what your role is for a given stakeholder meeting?
7. What barriers (e.g. accessibility to the event, unavailable at the date/time, other) do you encounter during HCPF stakeholder meetings, and how can HCPF address those?
8. What currently works well at HCPF stakeholder meetings?
9. When you participate in other organization's (not HCPF) meetings or engagements, what do you like; and what would you like to see to HCPF do more of and/or less of during their stakeholder meetings or engagements?
