AGREEMENT TO USE LOGAN COUNTY RIGHT OF WAY
INDIVIDUAL PERMIT

THIS AGREEMENT made this (**County fills in**) _____day of _____, _____, by and between the County of Logan, State of Colorado, hereinafter called "County", and **NE Colorado Cellular, Inc** the undersigned easement holder or landowner, hereinafter called "Applicant".

WHEREAS, Applicant owns the following described premises, or has an easement on, over or through said premises, to-wit (legal description): **232 CR-59, Sterling, CO 80751**

_____; and

WHEREAS, Applicant desires to install and construct a **Fiber Optic line**, which will be located **(Circle One)** along, under, or across **along CR-53, under CR-53 (north side of CR-2), along the north side of CR-2 and along the west side of CR-59 to the cellular tower location**, to benefit the above described premises; and

WHEREAS, the County is willing to allow such installation and construction by Applicant, but only upon the terms and covenants contained herein.

NOW, THEREFORE, in consideration of paying the County the sum of **$100.00** or **$200.00** and keeping of the terms and covenants contained herein, the parties agree as follows:

☑ Applicant agrees to furnish the County in writing in advance of installation the exact location and dimensions of said installation and construction.

☑ Buried installations must be at no less than 48 inches below the lowest level of any borrow ditch paralleling the County Road and an "Individual permit" must be submitted for each instance.

☑ Applicant shall have the right to install and construct **an underground conduit system to consist of conduit, handholes and fiber optic cable line**, described above, in the right of way of **CR-53, CR-2 and CR-59**, but such installation and construction shall be done only in the following manner. All work within the county ROW shall be performed only during regular business hours of the Logan County Road & Bridge Department to enable supervision and inspection of the work.

☑ All work authorized by this Agreement **shall be completed no later than April 30th, 2015**.

☑ It is understood that no paved or oil-surfaced road shall be cut and will be crossed by boring only. For other roads and crossings of County property after installation. Applicant shall restore the surface to the same condition as existed prior to such construction.

☑ All cost and expense of installation, construction, maintenance, removal, or replacement is to be paid by the Applicant.

☑ The traveling public must be protected during this installation with proper warning signs or signals both day and night. Warning signs and signals shall be installed by and at the expense of Applicant.

RE: Placement Request of Fiber Optic cabling

Dear Logan County,

Please find attached our completed Right-of-Way permitting submittal along with a check in the amount of $400.00.

Viaero Wireless is proposing to place an underground conduit and fiber optic cable system along CR-53, south to the intersection of CR-2 and then east along CR-2 to CR-59, and then north on CR-59 to the Viaero Wireless tower at 232 CR-59. We are requesting to place this conduit and cable route within county property a maximum of 10 linear feet along the existing edge of roads. The construction will mostly consist of plowing/trenching although directional boring will be completed across CR-53 & CR-57.

We have notified the adjacent landowners in writing that Viaero Wireless is proposing to place an underground conduit and fiber optic cable system along these roads.

Attached are letters from the following persons: Mr. William H. Benson, Allen Benson, Curtis Benson, Joel Felzien and Neil Lindstrom.
Currently we are only awaiting the letters from Lois Coakley and Charles Lindstrom. We have been in contact with both of these parties and they have received the written notifications.

I want to thank you for your time and appreciate your approval of this permit approval and Viaero Wireless to continue with this project.

Sincerely,

Ron Christensen
