Re: Payment Delay:

Dear Provider(s):

DentaQuest is the contractor for the Health First Colorado, Colorado's Medicaid Dental Program. The Colorado Department of Health Care Policy and Financing issued a check Monday to DentaQuest to cover the currently delayed payment cycles. However, DentaQuest has not received the payment. As a result, payments will be slightly delayed beyond the projected date provided in previous Health First Colorado communications.

As soon as DentaQuest receives payment, the delayed payment cycles will be processed. We apologize for the inconvenience this may cause.

Sincerely,

A handwritten signature in black ink, appearing to read "Tina Pierre", is written over a light gray rectangular background.
