

Colorado Local Workforce Development Board Directory

Authorized by the Workforce Innovation and Opportunity Act (WIOA, Pub. L. No. 113 – 128, July 22, 2014), workforce development boards serve as a strategic convener to promote aligned relationships between business representatives, local government, economic development, education, and workforce partners to engage in and implement state-of-the-art talent development solutions tailored to meet the needs of businesses and jobseekers as part of an integrated and effective job-driven workforce development system.
