EVV Communication Update

To improve communication, reduce duplicative communications, and provide a centralized communication channel for stakeholders, the Department is asking stakeholders to subscribe to the [EVV Stakeholder Group List](#). You will receive the same information and updates related to EVV and will be able to keep track of important dates and announcements all in one place.

To get on this list, you can easily [sign up for the Electronic Visit Verification Stakeholder Group List](#), or you can reply to this message that you would like us to add you to the list directly. If requesting to be added to the email list, please reply with your

1. Email address
2. Full name
3. Job title
4. Company

We will continue using the EVV inbox to support stakeholders and answer questions. However, we will no longer be communicating announcements, meeting details, etc through the EVV inbox, unless specifically requested through the EVV inbox with reasoning for why this communication channel is needed. **We will continue providing communications through the EVV inbox until October 16th, 2020.**

Reasonable accommodations will be provided upon request for persons with disabilities. Please notify the 504/ADA Coordinator hcpf504ada@state.co.us prior to the meeting. If required, please also request live captioning services through evv@state.co.us prior to the meeting.
