

Electronic Visit Verification (EVV) Live-in Caregiver Attestation Form

****Send completed form to provider agency or FMS vendor unless you are requesting PART C: Extenuating Circumstances Determination ****

Instructions

Validity of information on this form must be reviewed and updated by the provider agency or Financial Management Service (FMS) vendor with the member and caregiver annually. Changes must be documented immediately. The provider agency or FMS vendor is responsible for maintaining this form and any relevant evidence for Department verification and auditing. If live-in caregiver status is not valid at any time, the attendant and provider agency or FMS vendor shall collect EVV per state rule. Service dates prior to the completion of this form and required approvals must have a corresponding EVV record. The Department reserves the right to deny or revoke live-in caregiver status for an EVV exemption when information on completed form does not meet Department specification or if information is found to be misrepresented or falsified.

On the attached form, complete all informational fields with the most current and accurate information available. Part A, Part B, or Part C attest to the determination of live-in caregiver status by meeting the criteria of a Federal entity definition or Department approval of extenuating circumstances. Select only one and provide the most relevant evidence for that definition. If attesting to an extenuating circumstance, contact the Department for pre-approval*. "Reside" for Part B means the place of residence or the place used most often for domestic activities outside of work such as sleeping, living, eating, etc. "Premise" for Part B means any property, dwelling, apartment, or structure that the member resides in.

Permissible Supporting Documentation (Minimum of 1):

Copy of both state ID's showing shared residency; address listed on tax returns; automobile registration; voter registration card, utility or other household bill showing individuals address; bank account statement; or Medicaid records. All documentation must be current or have a date within the last three months. Other documentation may be used upon Department approval.

**Extenuating circumstance exceptions may be approved for time less than one year. Approval of extenuating circumstance may take 2 - 4 weeks.*

Live-In Caregiver Attestation Form

Electronic Visit Verification (EVV) is a technology solution which electronically verifies visit information to ensure that home or community-based services are delivered to members needing those services by documenting the precise time service begins and ends. Section 12006 of the 21st Century Cures Act requires all state Medicaid agencies implement an EVV solution. Federal guidance permits states to exempt live-in caregivers from EVV. This exemption may or may not apply to the parent or family of a member, depending on living arrangement.

A **live-in caregiver** is a caregiver who permanently or for an extended period of time resides in the same residence as the Medicaid member receiving services. Live-in caregiver status is determined by meeting requirements established by either the U.S. Department of Labor, Internal Revenue Service, or Department-approved extenuating circumstances. Documentation of live-in caregiver status must be collected and maintained by the provider agency. Live-in caregiver status is established by the member/caregiver relationship and only pertains to relationships where documentation has been provided and approved.
