

In an effort to provide reliable communications to residents in our service area, the Greatrock North Water and Sanitation District invites you to join our **emergency notification system**. This service is provided to residents by Call Em All, a company that specializes in alert notification systems.

We encourage you to sign up to receive either text or voice message notices regarding water service interruptions, water emergencies, routine events such as hydrant flushing or other District-related announcements.

FAQ

- Are there any fees for this service? The service does not charge users to receive notices; however, standard message and data rates may apply for calls and text messages received as provided in your telephone or wireless plan.
- Is my information shared? All contact names and numbers are safe and secure (lists are not sold and will only be used for emergency notification purposes).
- What if my information changes? Please contact the District Manager to update, change or add information.

To sign up to receive notifications, please do one of the following:

1. Complete the bottom portion of this form and return it with your utility payment.
 2. E-mail your name, phone number and preferred method of contact (text* or voice message) to ljohnson@sdmsi.com.
- * In order to sign up for text messaging notifications, users must opt-in (subscribe to the text alerts). To do so, please text the keyword "GREATROCK" to the number 292929. You will know you have successfully joined the group when you receive a response to your text message thanking you for enrolling in this service.

Mission: To provide the highest quality of water at the most affordable price for current customers and to provide for the expansion of the District as growth occurs.
