Department of Health Care
Policy & Financing

Dear Provider,

Please complete the survey linked below to assist the Department of Health Care Policy & Financing (the Department) in prioritizing Enhanced Ambulatory Patient Groups (EAPG) changes and/or resolutions.

The Department and its stakeholders have worked in numerous settings to establish a list of concerns that should be addressed regarding the payment of institutional outpatient hospital claims. This survey includes a list of these concerns, as well as a summary of each issue. The Department is seeking feedback from its hospital provider community regarding the prioritization of each issue so that the Department can most effectively direct its resources to align with the concerns of its hospital providers.

Complete the survey at the following link by close of business on Friday, December 28, 2018: [Enhanced Ambulatory Patient Groups \(EAPG\) Survey](#).

Your feedback is appreciated.

Thank you,

Department of Health Care Policy & Financing
