

Dear Provider,

The Department of Health Care Policy & Financing (the Department) opened the enrollment process for the Community Clinics (CC) and Community Clinic and Emergency Centers (CCEC) provider type as of September 1, 2018, as noted in the [September 2018 Provider Bulletin \(B1800420\)](#).

The CC/CCEC rule was adopted by the Medical Services Board and will be effective November 30, 2018. The adoption of this rule eliminates the temporary provision for locations licensed as CC/CCECs to be enrolled as and bill under the hospital provider type.

For more information and step-by-step enrollment instructions, providers should consult the [Information by Provider Type web page](#) or contact the [Provider Services Contact Center](#) at 1-844-235-2387.

Contact Raine Henry at [Raine.Henry@state.co.us](mailto:Raine.Henry@state.co.us) for policy questions.

Thank you,

Department of Health Care Policy & Financing
