Bad Debt Refund for Cigarette and Tobacco Products Wholesalers and Distributors

GENERAL INFORMATION

Cigarette and tobacco products wholesalers and distributors may claim a refund for bad debts arising from uncollectible accounts. [§§39-28-104(4) and 39-28.5-107 2(a) C.R.S.] “Bad debt” is defined as the taxes attributable to any portion of a debt that is related to a sale of cigarettes or tobacco products subject to excise tax, that is not otherwise deductible or excludable, and that has become uncollectible after the tax has been paid. The refund will not be granted unless the bad debt has been charged off as uncollectible on the books of the wholesaler or distributor.

Application for Refund

The cigarette or tobacco products distributor or wholesaler may file a Claim for Refund (DR 0137) with the Department of Revenue for a refund of the cigarette or tobacco products taxes paid.

Supporting documentation must be submitted with the claim and shall include but is not limited to:

- A copy of the original invoice issued by the wholesaler.
- Evidence that the cigarettes or tobacco products described in the invoice were delivered to the person who ordered them.
- Evidence that the wholesaler or distributor did not receive payment from the person who ordered and received the cigarettes or tobacco products.
- Evidence that the wholesaler used reasonable collection practices in attempting to collect the debt.
- Documentation that the loss from the bad debt is eligible to be claimed as a deduction pursuant to section 166 of the federal “Internal Revenue Code of 1986” as amended.

The refund claim for bad debt shall be limited to the tax paid and shall not include interest on the wholesale price of cigarettes or tobacco products, uncollectible amounts on property that remain in the possession of the wholesaler until the full purchase price is paid, expenses incurred in attempting to collect any account receivable or any portion of the debt recovered or an accounts receivable that has been sold to a third party for collection, or repossessed property.
