Dear Providers,

Re: Professional (Clinic) Claims

Last week, the Department was made aware of an issue preventing the following provider types from submitting professional (clinic) claims:

- PT 32 - Federally Qualified Health Centers (FQHCs)
- PT 45 - Rural Health Clinics (RHCs)
- PT 61 - Indian Health Services FQHCs (IHS-FQHCs)

The billing rules have been corrected, and claims going forward should not deny or suspend for this. Suspended claims have been automatically recycled by HPE; denied claims should be resubmitted by the provider.

Please note: claims may still suspend or deny for other reasons.

Thank you,

Health First Colorado and Child Health Plan Plus (CHP+)
