I. INTRODUCTION

About this Evidence of Coverage (EOC)

This Evidence of Coverage (EOC) describes the health care coverage provided under the Agreement between Kaiser Foundation Health Plan of Colorado and your Group. In this EOC, Kaiser Foundation Health Plan of Colorado is sometimes referred to as “Health Plan,” “we,” or “us.” Members are sometimes referred to as “you.” Out-of-Health Plan is sometimes referred to as “out-of-Plan.” Some capitalized terms have special meaning in this EOC; please see the “Definitions” section for terms you should know.

This EOC is for your Group’s 2011 contract year.

II. ELIGIBILITY AND ENROLLMENT

A. Who Is Eligible

1. General

To be eligible to enroll and to remain enrolled in this health benefit plan, you must meet the following requirements:

- a. You must meet your Group’s eligibility requirements that we have approved (your Group is required to inform Subscribers of the Group’s eligibility requirements); and
- b. You must also meet the Subscriber or Dependent eligibility requirements as described below; and
- c. On the first day of membership, the Subscriber must live in our Service Area (our Service Area is described in the “Definitions” section). You cannot live in another Kaiser Foundation Health Plan or allied plan service area (for the purposes of this eligibility rule these other service areas may change on January 1 of each year and are currently the District of Columbia and parts of California, Colorado, Georgia, Hawaii, Idaho, Maryland, Ohio, Oregon, Virginia and Washington). For more information, *Denver/Boulder* Members, please call **Member Services** at **303-338-3800** or toll-free at **1-800-632-9700** or TTY **1-800-521-4874**; *Southern Colorado* Members, please call **Member Services** toll-free at **1-888-681-7878** or TTY **1-800-521-4874**.

2. Subscribers

You may be eligible to enroll as a Subscriber if you are entitled to Subscriber coverage under your Group’s eligibility requirements that we have approved (for example, an employee of your Group who works at least the number of hours specified in those requirements).

3. Dependents

If you are a Subscriber, the following persons may be eligible to enroll as your Dependents under this plan:

- a. Your Spouse.
- b. Your or your Spouse’s children (including adopted children and children placed with you for adoption) who are under the dependent limiting age specified in the “Summary Chart.”
- c. Other dependent persons (but not including foster children) who meet all of the following requirements:
 - i. they are under the dependent limiting age specified in the “Summary Chart”; and
 - ii. you or your Spouse is the court-appointed permanent legal guardian (or was before the person reached age 18).
- d. Your or your Spouse’s unmarried children over the dependent limiting age specified in the “Summary Chart” who are medically certified as disabled and dependent upon you or your Spouse are eligible to enroll or continue coverage as your Dependents if the following requirements are met:
 - i. they are dependent on you or your Spouse; and
 - ii. you give us proof of the Dependent’s disability and dependency annually if we request it.
- e. Subscriber’s designated beneficiary prescribed by Colorado law, if your employer elects to cover designated beneficiaries as dependents.

Students on Medical Leave of Absence. Dependent children over the dependent limiting age but under the dependent student limiting age as specified in the “Summary Chart” who lose dependent student status at a postsecondary educational institution due to a Medically Necessary leave of absence may remain eligible for coverage until the earlier of (i) one year after the first day of the Medically Necessary leave of absence; or (ii) the date dependent coverage would otherwise terminate under this EOC. We must receive written certification by a treating physician of the dependent child which states that the child is suffering from a serious illness or injury, and that the leave of absence or other change of enrollment is Medically Necessary.

If your plan has different eligibility requirements, please see “Additional Provisions.”

B. Enrollment and Effective Date of Coverage

Eligible people may enroll as follows, and membership begins at 12:00 a.m. on the membership effective date:

1. New Employees and their Dependents

If you are a new employee, you may enroll yourself and any eligible Dependents by submitting a Health Plan-approved enrollment application to your Group within 31 days after you become eligible (you should check with your Group to see when new employees become eligible). Your membership will become effective on the date specified by your Group.

2. Members Who are Inpatient on Effective Date of Coverage

If you are an inpatient in a hospital or institution when your coverage with us becomes effective and you had other coverage when you were admitted, state law will determine whether we or your prior carrier will be responsible for payment for your care until your date of discharge.

3. Special Enrollment Due to Newly Acquired Dependents

You may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents, by submitting a Health Plan-approved enrollment application to your Group within 31 days after a Dependent becomes newly eligible.

The membership effective date for the Dependents (and, if applicable, the new Subscriber) will be:

a. For newborn children, the moment of birth. A newborn child is automatically covered for the first 31 days.

For existing Subscribers:

- i. If the addition of the newborn child to the Subscriber's coverage will change the amount the Subscriber is required to pay for that coverage, then the Subscriber, in order for the newborn to continue coverage beyond the initial 31-day period of coverage, is required to (A) pay the new amount due for coverage after the initial 31-day period of coverage; and (B) notify Health Plan within 31 days of the newborn's birth.
- ii. If the addition of the newborn child to the Subscriber's coverage will not change the amount the Subscriber pays for coverage, the Subscriber is still required to notify Health Plan after the birth of the newborn in order to facilitate the newborn's enrollment onto the Subscriber's Health Plan coverage.

b. For newly adopted children (including children newly placed for adoption), the date of the adoption or placement for adoption. An eligible adopted child must be enrolled within 31 days from the date the child is placed in your custody or the date of the final decree of adoption.

For existing Subscribers:

- i. If the addition of the newly adopted child to the Subscriber's coverage will change the amount the Subscriber is required to pay for that coverage, then the Subscriber, in order for the newly adopted child to continue coverage beyond the initial 31-day period of coverage, is required to (A) pay the new amount due for coverage after the initial 31-day period of coverage; and (B) notify Health Plan within 31 days of the child's adoption or placement for adoption.
- ii. If the addition of the newly adopted child to the Subscriber's coverage will not change the amount the Subscriber pays for coverage, the Subscriber is still required to notify Health Plan after the adoption or placement for adoption of the child in order to facilitate the child's enrollment onto the Subscriber's Health Plan coverage.

c. For all other Dependents, the date of the event if enrolled within 31 days of attaining eligibility. Employees and Dependents who are not enrolled when newly eligible must wait until the next open enrollment period to become Members of Health Plan, unless: (i) they enroll under special circumstances, as agreed to by your Group and Health Plan or (ii) they enroll under the provisions described in "Special Enrollment Due to Loss of Other Coverage" below.

4. Special Enrollment Due to Loss of Other Coverage

You may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents, by submitting a Health Plan-approved enrollment application to your Group within 31 days after the enrolling persons lose other coverage, if:

The enrolling persons had other coverage when you previously declined all coverage through your Group (some groups require you to have stated in writing when declining Health Plan coverage that other coverage was the reason); and the loss of the other coverage is due to one of the following:

- a. Exhaustion of COBRA coverage.
- b. Loss of eligibility for non-COBRA coverage, but not termination for cause or termination from an individual (nongroup) plan for nonpayment, in the following situations:
 - i. termination of employer contributions for non-COBRA coverage;
 - ii. loss of coverage under other creditable coverage as a result of termination of employment or eligibility;
 - iii. reduction in the number of hours of employment;
 - iv. the involuntary termination of the creditable coverage;
 - v. death of a spouse, legal separation or divorce;

- vi. reaching the age limit for dependent children;
- vii. Subscriber's death;
- viii. a dependent is disenrolled from or otherwise becomes ineligible for Children's Basic Health Plan (application for enrollment must be made no later than 90 days after disenrollment);
- ix. the enrolling person loses eligibility for Medicaid, but not due to termination for cause (application for enrollment must be made no later than 60 days after loss of coverage);
- x. the individual becomes eligible to receive premium assistance under Medicaid or Children's Basic Health Plan (application for enrollment must be made no later than 60 days after eligibility determination for premium assistance);
- xi. the individual has reached a lifetime maximum on all benefits;
- xii. the individual has lost coverage as a result of moving out of the plan's service area.

If you are enrolling yourself as a Subscriber along with at least one eligible Dependent, it is necessary for only one of you to lose other coverage and only one of you to have had other coverage when you previously declined all coverage through your Group.

Your Group will let you know the membership effective date, which will be no later than the first day of the month following the date your Group receives the enrollment application.

5. Special Enrollment Due to Court or Administrative Order

You may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents if a court has ordered that coverage be provided for a dependent under a covered employee's health benefit plan and the request for enrollment is made within 31 days after issuance of such court order.

6. Open Enrollment

You may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents, by submitting a Health Plan-approved enrollment application to your Group during the open enrollment period. Your Group will let you know when the open enrollment period begins and ends and the membership effective date.

7. Kaiser Permanente Senior Advantage Limitation on Enrollment

If the Kaiser Permanente Senior Advantage plan has reached its capacity limit that the Centers for Medicare & Medicaid Services ("CMS") has approved, you may be ineligible to enroll.

8. Persons Barred From Enrolling

You cannot enroll if: (a) you have had your entitlement to receive Services through Health Plan terminated for cause; or (b) you have had your entitlement to receive Services through Health Plan terminated for failure to pay any amounts (other than Dues) owed to Health Plan or a Plan Provider as described under "Termination for Nonpayment of Any Other Charges" in the "Termination of Membership" section.

III. HOW TO OBTAIN SERVICES

As a Member, you are selecting our medical care program to provide your health care. You must receive all covered Services from Plan Providers inside our Service Area, except as described under the following headings:

- "Emergency Services Provided by non-Plan Providers (out-of-Plan Emergency Services)," in "Emergency Services and Non-Emergency, Non-Routine Care" in the "Benefits" section
- "Out-of-Plan Non-Emergency, Non-Routine Care" in "Emergency Services and Non-Emergency, Non-Routine Care" in the "Benefits" section
- "Getting a Referral," in this section

A. Your Primary Care Plan Physician

Your primary care Plan Physician (PCP) plays an important role in coordinating your health care needs, including hospital stays and referrals to specialists. Every member of your family should have his or her own PCP.

1. Choosing Your Primary Care Plan Physician

You may select a PCP from family medicine, pediatrics, or internal medicine. You may also receive a second medical opinion from a Plan Physician upon request. Please refer to the "Second Opinions" section, below.

a. Denver/Boulder Service Area

You may choose your PCP from our provider directory. If you want to receive care from a specific physician listed in the directory, please call **Member Services** to verify that the physician still participates with Health Plan and is accepting new patients. You can obtain a copy of the directory by calling **Member Services** at **303-338-3800** or toll-free at **1-800-632-9700** or TTY **1-800-521-4874** or you can obtain a list of Plan Physicians on our website, www.kp.org, by clicking on "Locate our services" then "Medical staff directory."

b. **Southern Colorado Service Area**

You must choose a PCP when you enroll. If you do not select a PCP upon enrollment, we will assign you one near your home.

Medical Group contracts with a panel of Affiliated Physicians, specialists, and other health care professionals to provide medical Services in the **Southern Colorado** Service Area. You may choose your PCP from our panel of **Southern Colorado** Plan Physicians.

You can find these physicians, along with a listing of affiliated specialists and ancillary providers, in the Kaiser Permanente Southern Colorado Physician and Provider Directory. You can obtain a copy of the directory by calling **Member Services** toll-free at **1-888-681-7878** or TTY **1-800-521-4874** or by visiting our website, www.kp.org, by clicking on “Locate our services” then “Medical staff directory.”

If you are seeking routine or specialty care in any of the **Denver/Boulder** Plan Facilities, you must have a referral from your local PCP. If you do not get a referral, you will be billed for the full amount of the office visit Charges. If you are visiting in the **Denver/Boulder** Service Area and need after-hours or emergency care, you can visit a **Denver/Boulder** Plan Facility without a referral.

2. Changing Your Primary Care Plan Physician

a. **Denver/Boulder Service Area**

Please call **Member Services** at **303-338-3800** or toll-free at **1-800-632-9700** or TTY **1-800-521-4874** to change your PCP, or you may change your physician when visiting a Plan Facility. You may change your PCP at any time.

B. Getting a Referral

1. Referrals

a. **Denver/Boulder Service Area**

Medical Group physicians offer primary medical and pediatric care as well as specialty care in areas such as general surgery, orthopedic surgery, and dermatology. If your Medical Group physician decides that you require covered Services not available from us, he or she will refer you to a non-Medical Group physician inside or outside our Service Area. You must have a written referral to the non-Medical Group physician in order for us to cover the Services. A referral is a written authorization from Kaiser Permanente for you to receive a covered Service from a non-Medical Group physician. A written or verbal recommendation by a Medical Group physician or an Affiliated Physician that you obtain non-covered Services (whether Medically Necessary or not) is **not** considered a referral and is **not** covered. Copayments or Coinsurance for referral Services are the same as those required for Services provided by a Medical Group physician.

In order to receive Services from providers other than a Medical Group physician or from a Plan Facility, you must have a written referral. This includes Services provided by an Affiliated Physician in the **Denver/Boulder** or **Southern Colorado** Service Areas.

A referral is limited to a specific Service, treatment, series of treatments and period of time. All referral Services must be requested and approved in advance according to Medical Group procedures. We will not pay for any care rendered or recommended by a non-Medical Group physician beyond the limits of the original referral unless the care is specifically authorized by your Medical Group physician and approved in advance in accord with Medical Group procedures.

b. **Southern Colorado Service Area**

Plan Physicians offer primary medical and pediatric care as well as specialty care in areas such as general surgery, orthopedic surgery and dermatology. If your Plan Physician decides that you require covered Services not available from us, he or she will refer you to a non-Plan Provider inside or outside our Service Area. You must have a written referral to the non-Plan Provider in order for us to cover the Services. A referral is a written authorization from Kaiser Permanente for you to receive a covered Service from a designated non-Plan Provider. A written or verbal recommendation by a Plan Physician that you obtain non-covered Services (whether Medically Necessary or not) is **not** considered a referral and is **not** covered. Copayments or Coinsurance for referral Services are the same as those required for Services provided by a Plan Provider.

Health Plan authorization is required for Services provided by: (i) non-Plan Providers or non-Plan Facilities and (ii) Services provided by any provider outside the **Southern Colorado** Service Area. This includes Services provided by a Medical Group physician in the **Denver/Boulder** Service Area. Health Plan authorization may be required for Services performed in any facility other than the physician’s office. A referral for these Services will be submitted to Health Plan by the Plan Physician. Health Plan will make a determination regarding authorization for coverage.

The provider to whom you are referred will receive a notice of Health Plan’s authorization by fax. You will receive a written notice of Health Plan’s authorization in the mail. This notice will tell you the physician’s name, address and phone number. It will also tell you the time period for which the referral is valid and the Services authorized.

2. Specialty Self-Referrals

a. Denver/Boulder Service Area

You may self-refer for consultation (routine office) visits to specialty-care departments within Kaiser Permanente with the exception of the anesthesia clinical pain department. Female members do not need a referral or prior authorization in order to obtain access to obstetrical or gynecological care from a Plan Provider who specializes in obstetrics or gynecology. You will still be required to obtain a written referral for laboratory or radiology Services and for specialty procedures such as a CT scan, MRI, or surgery. A written referral is also required for specialty-care visits to non-Medical Group physicians.

b. Southern Colorado Service Area

You may self-refer for consultation (routine office) visits to Plan Physician specialty-care providers identified as eligible to receive direct referrals. Female members do not need a referral or prior authorization in order to obtain access to obstetrical or gynecological care from a Plan Provider who specializes in obstetrics or gynecology. You will find the specialty-care providers eligible to receive direct referrals in the Kaiser Permanente Southern Colorado Physician and Provider Directory which is available on our website, www.kp.org, by clicking on “Locate our services” then “Medical staff directory.” You can obtain a paper copy of the directory by calling **Member Services** toll-free at **1-888-681-7878** or TTY **1-800-521-4874**.

A self-referral provides coverage for routine visits only. Authorization from Kaiser Permanente is required for: (i) Services in addition to those provided as part of the visit, such as surgery; and (ii) visits to Plan Physician specialty-care providers not eligible to receive direct referrals; and (iii) non-Plan Physicians. **Southern Colorado** Members cannot self-refer to Medical Group physicians in the **Denver/Boulder** Service Area. Services other than routine office visits with a Plan Physician specialty-care provider eligible to receive self-referrals will not be covered unless authorized by Kaiser Permanente before Services are rendered.

The request for these Services can be generated by either your PCP or by a specialty-care provider. The physician or facility to whom you are referred will receive a notice of the authorization. You will receive a written notice of authorization in the mail. This notice will tell you the physician’s name, address and phone number. It will also tell you the time period that the authorization is valid and the Services authorized.

3. Second Opinions

Upon request and subject to payment of any applicable Copayments or Coinsurance, you may obtain a second opinion from a Plan Physician about any proposed covered Services.

C. Plan Facilities

Plan Facilities are Plan Medical Offices or Plan Hospitals in our Service Area that we contract with to provide covered Services to our Members.

1. Denver/Boulder Service Area

We offer health care at Plan Medical Offices conveniently located throughout the **Denver/Boulder** Service Area. At most of our Plan Facilities, you can usually receive all the covered Services you need, including specialized care. You are not restricted to a particular Plan Facility, and we encourage you to use the Plan Facility that will be most convenient for you.

Plan Facilities are listed in our provider directory, which we update periodically. You can obtain a current copy of the directory by calling **Member Services** at **303-338-3800** or toll-free at **1-800-632-9700** or TTY **1-800-521-4874**, or you can obtain a list of Plan Facilities on our website, www.kp.org, by clicking on “Locate our services” then “Facility directory.”

2. Southern Colorado Service Area

When you select your PCP, you will receive your Services at that physician’s office. You can find **Southern Colorado** Plan Physicians and their facilities, along with a listing of affiliated specialists and ancillary providers, in the Kaiser Permanente Southern Colorado Physician and Provider Directory. You can obtain a copy of the directory by calling **Member Services** toll-free at **1-888-681-7878** or TTY **1-800-521-4874** or by visiting our website, www.kp.org, by clicking on “Locate our services” then “Facility directory.”

D. Getting the Care You Need

Emergency care is covered 24 hours a day, 7 days a week anywhere in the world. **If you think you have a life or limb threatening emergency, call 911 or go to the nearest emergency room.** For coverage information about emergency care, including out-of-Plan Emergency Services, and emergency benefits away from home, please refer to “Emergency Services and Non-Emergency, Non-Routine Care” in the “Benefits” section.

Non-emergency, non-routine care needed for medical problems such as an earache or sore throat with fever that do not meet the definition of an emergency because they are not sudden or unforeseen, are covered at Plan Facilities during regular office hours. Your office visit Charge, as defined in the “Summary Chart”, will apply. If you need non-emergency, non-routine care

after hours, you may use one of the designated after-hours Plan Facilities. The Charge for non-emergency, non-routine care received in Plan Facilities after regular office hours listed in the “Summary Chart” will apply. For additional information about non-emergency, non-routine care, please refer to “Emergency Services and Non-Emergency, Non-Routine Care” in the “Benefits” section.

Non-emergency, non-routine care received at a non-Plan Facility inside our Service Areas is **not covered**. If you receive care for minor medical problems at non-Plan Facilities inside our Service Areas, you will be responsible for payment for any medical treatment received.

There may be situations when it is necessary for you to receive unauthorized non-emergency, non-routine care outside our Service Areas. Please see “Emergency Services and Non-Emergency, Non-Routine Care” in the “Benefits” section for coverage information about out-of-Plan non-emergency, non-routine care Services.

E. Visiting Other Kaiser Foundation Health Plan or Allied Plan Service Areas

If you visit a different Kaiser Foundation Health Plan or allied plan service area temporarily (not more than 90 days), you can receive visiting member care from designated providers in that area. Visiting member care is described in our visiting member brochure. Visiting member care and your out-of-pocket costs may differ from the covered Services, Copayments and Coinsurance described in this EOC. The 90-day limit on visiting member care does not apply to a Dependent child who attends an accredited college or accredited vocational school.

Denver/Boulder Members, please call **Member Services** at **303-338-3800** or toll-free at **1-800-632-9700** or TTY **1-800-521-4874**; *Southern Colorado* Members, please call **Member Services** toll-free at **1-888-681-7878** or TTY **1-800-521-4874** to receive more information about visiting member care, including facility locations in other service areas. Service areas and facilities where you may obtain visiting member care may change at any time.

You receive the same prescription drug benefit (including Copayments or Coinsurance, exclusions and limitations) as your home service area benefit.

F. Out-of-Area Student Benefit

A limited benefit is available to Dependents who are full-time students attending an accredited college, vocational or boarding school outside any Kaiser Foundation Health Plan service area. The out-of-area student benefit applies to covered Services, including prescription drugs that are covered under this EOC. We will pay 80% of Charges for covered Services, and the Member is responsible for paying the remaining 20% of Charges. The benefit is limited to \$1,200 per year.

To qualify for the out-of-area student benefit, the Dependent must be under the Group’s Dependent age limit and carry at least 12 credit hours per term. Verification of student status will be necessary. For more information, *Denver/Boulder* Members, please call **Member Services** at **303-338-3800** or toll-free at **1-800-632-9700** or TTY **1-800-521-4874**; *Southern Colorado* Members, please call **Member Services** toll-free at **1-888-681-7878** or TTY **1-800-521-4874**.

Visiting member care will continue to apply to students attending an accredited college or vocational school in other Kaiser Foundation Health Plan or allied plan service areas.

Exclusions and Limitations:

1. Services received outside the United States are not covered.
2. Transplant Services are not covered.
3. Services covered outside the Service Area under another section of this EOC (e.g., Emergency Services, Non-Emergency, Non-Routine Care) are not covered under the Out-of-Area Student Benefit.
4. This benefit does not apply towards the Out-of-Pocket Maximum.

G. Moving Outside of Any Kaiser Foundation Health Plan or Allied Plan Service Area

If you move to an area not within any Kaiser Foundation Health Plan or allied plan service area, you can continue your membership with Health Plan, if you continue to meet all other eligibility requirements. However, you must go to a Plan Facility in a Kaiser Foundation Health Plan or allied plan service area in order to receive covered Services (except out-of-Plan Emergency Services and out-of-Plan non-emergency, non-routine care). If you go to another Kaiser Foundation Health Plan or allied plan service area for care, covered Services, Copayments or Coinsurance will be as described under “Visiting Other Kaiser Foundation Health Plan or Allied Plan Service Areas” above.

H. Using Your Health Plan Identification Card

Each Member is issued a Health Plan Identification (ID) card with a Health Record Number on it, which is useful when you call for advice, make an appointment, or go to a Plan Provider for care. The Health Record Number is used to identify your medical records and membership information. You should always have the same Health Record Number. If we ever inadvertently issue you more than one Health Record Number, please let us know. *Denver/Boulder* Members, please call **Member Services** at **303-338-3800** or toll-free at **1-800-632-9700** or TTY **1-800-521-4874**; *Southern Colorado* Members, please call **Member Services** toll-free at **1-888-681-7878** or TTY **1-800-521-4874**. If you need to replace your Health Plan ID card, please call **Member Services** in your area.

Your Health Plan ID card is for identification only. To receive covered Services, you must be a current Health Plan Member. Anyone who is not a Member will be billed as a non-Member for any Services we provide and claims for Emergency or non-emergency care Services from non-Plan Providers will be denied. If you let someone else use your Health Plan ID card, we may keep your card and terminate your membership.

When you receive Services, you will need to show photo identification along with your Health Plan ID card. This allows us to ensure proper identification and to better protect your coverage and medical information from fraud. If you suspect you or your membership has been victimized by fraud, please call **Member Services** to report your concern. **Denver/Boulder** Members, please call **Member Services** at **303-338-3800** or toll-free at **1-800-632-9700** or TTY **1-800-521-4874**; **Southern Colorado** Members, please call **Member Services** toll-free at **1-888-681-7878** or TTY **1-800-521-4874**.

The drug formulary, discussed above, also applies.

If the following are administered in a Plan Medical Office or during home visits if administration or observation by medical personnel is required, they are covered at the applicable office administered drug Copayment or Coinsurance shown on the “Summary Chart.” This Copayment or Coinsurance may be in addition to your Outpatient Care Copayment or Coinsurance.

The patient’s medical condition may be so critical that you cannot call or come to one of our Plan Medical Offices or the emergency room of a Plan Hospital, or, the patient may need Emergency Services while traveling outside our Service Area.

Please refer to “ii. Emergency Services Limitation for non-Plan Providers,” below, if you are hospitalized for Emergency Services.

i. We cover out-of-Plan Emergency Services as follows:

- A. Outside our Service Area. ii. Emergency Services Limitation for non-Plan Providers

If you are admitted to a non-Plan Hospital, non-Plan Facility or a hospital where we have contracted for Emergency Services, you or someone on your behalf must notify us within 24 hours, or as soon as reasonably possible. *Denver/Boulder* Members, please call the **Telephonic Medicine Center** and/or **Quality Resource Coordinator** at **303-338-3800** or toll-free at **1-800-632-9700** or TTY **1-800-521-4874**; *Southern Colorado* Members, please call toll-free at **1-888-681-7878** or TTY **1-800-521-4874**.

14. **Services Not Available in our Service Area.** Services not generally and customarily available in our Service Area, except when it is a generally accepted medical practice in our Service Area to refer patients outside our Service Area for the Service.
15. **Services Related to a Non-Covered Service.** When a Service is not covered, all Services related to the non-covered Service are excluded, except for Services we would otherwise cover to treat complications as a result of the non-covered Service.

16. **Sexual Reassignment.** All Services related to sexual reassignment.
17. **Travel and Lodging Expenses.** Travel and lodging expenses are excluded, except that in some situations, when Medical Group or a Plan Physician refers you to a non-Plan Provider outside our Service Area for transplant Services as described under “Getting a Referral” in the “How to Obtain Services” section, we may pay certain expenses that we preauthorize in accord with our internal travel and lodging guidelines. Travel and lodging expenses are not covered for Members who are referred to a non-Plan Facility for non-transplant medical care. For information specific to your situation, please call your assigned Transplant Coordinator; or the Transplant Administrative Offices at **303-636-3214** or **TTY 1-800-659-2656**.
18. **Unclassified Medical Technology Devices and Services.** Medical technology devices and Services which have not been classified as durable medical equipment or laboratory by a National Coverage Determination (NCD) issued by the Centers for Medicare & Medicaid Services (CMS), unless otherwise covered by Health Plan.
19. **Weight Management Facilities.** Services received in a weight management facility.
20. **Workers’ Compensation or Employer’s Liability.** Financial responsibility for Services for any illness, injury, or condition, to the extent a payment or any other benefit, including any amount received as a settlement (collectively referred to as “Financial Benefit”), is provided under any workers’ compensation or employer’s liability law. We will provide Services even if it is unclear whether you are entitled to a Financial Benefit, but we may recover Charges for any such Services from the following sources:
 - a. Any source providing a Financial Benefit or from whom a Financial Benefit is due.
 - b. You, to the extent that a Financial Benefit is provided or payable or would have been required to be provided or payable if you had diligently sought to establish your rights to the Financial Benefit under any workers’ compensation or employer’s liability law.

B. Limitations

We will use our best efforts to provide or arrange covered Services in the event of unusual circumstances that delay or render impractical the provision of Services, such as major disaster, epidemic, war, riot, civil insurrection, disability of a large share of personnel at a Plan Facility, complete or partial destruction of facilities and labor disputes not involving Health Plan, Kaiser Foundation Hospitals or Medical Group. However, in these circumstances, Health Plan, Kaiser Foundation Hospitals, Medical Group and Medical Group Plan Physicians will not have any liability for any delay or failure in providing covered Services. In the case of a labor dispute involving Health Plan, Kaiser Foundation Hospitals or Medical Group, we may postpone care until the dispute is resolved if delaying your care is safe and will not result in harmful health consequences.

C. Reductions

1. Coordination of Benefits (COB)

The Services covered under this EOC are subject to Coordination of Benefit (COB) rules. If you have health care coverage with another health plan or insurance company, we will coordinate benefits with the other coverage under the COB guidelines of the National Association of Insurance Commissioners. Those guidelines are incorporated into this EOC. For Members entitled to Medicare, Medicare is the primary coverage except when federal law (TEFRA) requires that Group’s health care plan be primary and Medicare coverage be secondary. The COB guidelines determine which coverage pays first, or is “primary,” and which coverage pays second, or is “secondary.” The secondary coverage may reduce its payment to take into account payment by the primary coverage. You must give us any information we request to help us coordinate benefits.

If your coverage under this EOC is secondary, we may be able to establish a Benefit Reserve Account for you. You may draw on the Benefit Reserve Account during the year to pay for your out-of-pocket expenses for Services that are partially covered by either us or your other coverage. If you are entitled to a Benefit Reserve Account, we will provide you with detailed information about this account.

If you have any questions about COB, *Denver/Boulder* Members, please call **Patient Business Services** at **303-743-5900** or **TTY 1-800-659-2656**; *Southern Colorado* Members can contact **Patient Business Services** by calling **1-888-681-7878** or **TTY 1-800-521-4874**.

You may also write us at: **Patient Business Services, Kaiser Foundation Health Plan of Colorado, 2500 South Havana Street, Aurora, CO 80014-1622.**

2. Injuries or Illnesses Alleged to be Caused by Other Parties

You must reimburse us 100% of Charges for covered Services you receive for an injury or illness that is alleged to be caused by another party, except that you do not have to reimburse us more than you receive from or on behalf of any other party, insurance company or organization as a result of the injury or illness. Our right to reimbursement shall include all sources as permitted by law, including but not limited to, any recovery you receive from: (a) uninsured motorist coverage; or (b) underinsured motorist coverage; or (c) automobile medical payment coverage; or (d) workers’ compensation coverage or (e) any other liability coverage.

If you are involved in an automobile-related accident, please contact us immediately so that we can coordinate benefits with the automobile insurance carrier and determine whether we or the automobile insurance carrier has primary coverage. **Denver/Boulder** Members, please call **Patient Business Services** at **303-743-5900** or TTY **1-800-659-2656**; **Southern Colorado** Members can contact **Patient Business Services** by calling **1-888-681-7878** or TTY **1-800-521-4874**.

To the extent permitted by law, we have the option of becoming subrogated to all claims, causes of action, and other rights you may have against a third party or an insurer, government program, or other source of coverage for monetary damages, compensation, or indemnification on account of the injury or illness allegedly caused by the third party. We will be so subrogated as of the time we mail or deliver a written notice of our exercise of this option to you or your attorney, but we will be subrogated only to the extent of the total Charges for the relevant Services.

To secure our rights, we shall have a first priority lien on the proceeds of any judgment or settlement, whether by compromise or otherwise, you obtain against any other party, regardless of whether the other party admits liability. The proceeds of any judgment or settlement that you, your attorney or your representative obtain shall first be applied to fully satisfy our lien, regardless of whether the total amount of your recovery from all sources is less than the actual or estimated losses and damages you incurred, and regardless of how the proceeds are characterized or itemized. We specifically deny any application of the Made Whole doctrine.

We will not be responsible for any fees incurred by you in obtaining any such judgment or settlement. Any costs we incur will be borne by us and any costs of your representation will be borne by you. We specifically deny any application of the Common Fund doctrine. Any proceeds of such judgment or settlement in the possession of you or your attorney shall be held in trust for our benefit.

Within 30 days after submitting or filing a claim or legal action against any other party, you must send written notice of the claim or legal action to: **Patient Business Services, Kaiser Foundation Health Plan of Colorado, 2500 South Havana Street, Suite 500, Aurora, CO 80014-1622**. In order for us to determine the existence of any rights we may have and to satisfy those rights, you must complete and send us all consents, releases, authorizations, assignments, and other documents, including lien forms directing your attorney, any other party and any respective insurer to pay us or our legal representatives directly. You must cooperate in protecting our interests under this “Injuries or Illnesses Alleged to be Caused by Other Parties” provision and must not take any action prejudicial to our rights.

If your estate, parent, guardian or conservator asserts a claim against a third party based on your injury or illness, your estate, parent, guardian or conservator and any settlement or judgment recovered by the estate, parent, guardian or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the third party. We may assign our rights to enforce our liens and other rights.

Some providers have contracted with Kaiser Permanente to provide certain Services to Members at rates that are typically less than the fees that the providers ordinarily charge to the general public (“General Fees”). However, these contracts may allow the providers to assert any independent lien rights they may have to recover their General Fees from a judgment or settlement that you receive from or on behalf of a third party. For Services the provider furnished, our recovery and the provider’s recovery together will not exceed the provider’s General Fees.

If you are entitled to Medicare, Medicare law may apply with respect to Services covered by Medicare.

Note: For recoveries on or after August 11, 2010, reimbursement for benefits will be governed by state law.

3. Surrogacy

In situations where you receive monetary compensation to act as a surrogate, Health Plan will seek reimbursement of Charges for covered Services you receive that are associated with conception, pregnancy and/or delivery of the child, up to the monetary amount you receive to act as a surrogate. A surrogate arrangement is one in which a woman agrees to become pregnant and to surrender the baby to another person or persons who intend to raise the child.

VI. FILING CLAIMS AND MEMBER SATISFACTION PROCEDURE

A. Filing Claims

Health Plan will review claims that you make for Services or payment, and we may use medical experts to help us review claims and appeals. There are four (4) types of claims, each of which has a different procedure described below:

1. Post-Service Claims
2. Non-Urgent Pre-Service Claims
3. Urgent Pre-Service Claims
4. Concurrent Care Claims

If you disagree with any pre-Service denial we make based on a determination that a requested Service is not Medically Necessary, or is experimental or investigational, your physician has the right to request a peer-to-peer conversation regarding our decision by contacting the physician or department who initially made the denial. Your physician acting on your behalf has the right to request a peer-to-peer conversation about the denial. This request for a peer-to-peer conversation may be

made verbally or in writing to the department that initially made the denial. The peer-to-peer conversation shall occur within five (5) days of receipt of the request, and it shall be conducted between the provider who is rendering, or will render the Service and the reviewer who made the initial denial, or that reviewer's designated clinical peer in the event that the reviewer is not available within five (5) days.

The procedures you must follow for internal appeals are described below. It is not necessary for your physician to request a peer-to-peer conversation before you request an appeal. If you miss a deadline for filing a claim or appeal, we may decline to review it.

If your health benefits are provided through the Employee Retirement Income Security Act (ERISA), you can file a demand for arbitration or civil action under ERISA Section 502(a)(1)(B), but you must meet any deadlines and exhaust the claims and required appeals procedures before you can do so. If you are not sure if your Group is an "ERISA" group, you should contact your employer. We do not charge you for claims or appeals, but you must bear the cost of anyone you hire to represent or help you.

1. Post-Service Claims and Appeals

Post-Service claims are requests for payment for Services you already received, including claims for out-of-Plan Emergency Services. If you have any questions about post-Service claims or appeals, *Denver/Boulder* Members, please call either our **Claims Department** at **303-338-3600** or TTY **1-800-521-4874** or **Member Services** at **303-338-3800** or toll-free at **1-800-632-9700** or TTY **1-800-521-4874**, Monday-Friday, 8a.m. - 5p.m. *Southern Colorado* Members, please call **Member Services** toll-free at **1-888-681-7878** or TTY **1-800-521-4874**.

a. Procedure for Making a Post-Service Claim

You must send the completed claim form to us within 180 days after you receive out-of-Plan Services or Services from non-Plan Providers. Attach itemized bills along with receipts if you have paid the bills. Return the completed claims to the address listed on the claim form. Also, you must complete and submit to us any documents that we may reasonably request for processing your claim or obtaining payment from insurance companies.

We will review your claim, and if we have all the information we need, we will send you a written decision within 30 days after we receive your claim. If we tell you we need more time because of circumstances beyond our control, we may take an additional 15 days to send you our written decision. If we tell you we need more time and ask you for more information, you will have 45 days to provide the requested information. We encourage you to send all the requested information at one time, so that we will be able to consider it all when we make our decision. If we do not receive any of the requested information (including documents) within 45 days, we will make a decision based on the information we have. We will issue our decision within 15 days of our receipt of the additional information, or if no information is received, within 15 days of the deadline for receiving the information.

If we deny your claim (if we do not pay for all the Services you requested), our written decision will tell you why we denied your claim and how you can appeal.

b. Procedure for Appealing our Denial of a Post-Service Claim

Within 180 days after you receive our written decision denying your claim, you, or a representative you designate in writing, may write to our **Appeals Program** telling them that you want to appeal our denial of your claim for Health Plan to pay for a Service you already received. Explain all of the reasons why you disagree with our denial of your claim and include all supporting documents. Your written request and the supporting documents constitute your appeal.

In the *Denver/Boulder* and *Southern Colorado* Service Areas, send your appeal request to: **Appeals Program, Kaiser Foundation Health Plan of Colorado, P.O. Box 378066, Denver, CO 80237-8066**.

We will review your appeal and send you a written decision within 30 days after we receive your appeal.

You may review our claim file and give us evidence and testimony. If we intend to uphold our previous adverse determination, we will provide you with any additional evidence we considered, relied on, or generated in making our decision, or any new or additional rationale on which our decision may be based, before we send you a final decision on appeal.

If we deny your appeal, our written decision will tell you why we denied your appeal and notify you of whether you have the right, under certain circumstances, to file a voluntary second level appeal or an external review.

If you are not satisfied with the result of the first level of appeal, under certain circumstances, you have the right to request a voluntary second level appeal or an external review. In those circumstances, you may submit your request for a voluntary second level appeal in writing to our **Appeals Program** at the address shown above within 30 days of receiving the decision of the first level appeal. A review hearing will be held within 60 days of receipt of the request for a voluntary second level appeal. You have the right to present your voluntary appeal in person or to be represented by a person of your choice. A written decision will be issued within seven (7) days of the hearing, citing the reasons upon which the decision was based. If your appeal is totally or partially denied, we will also notify you of your right, under certain circumstances, to request an external review.

Or you can write to: **Member Services, Kaiser Foundation Health Plan of Colorado, 2500 South Havana Street, Aurora, CO 80014-1622**. Upon receipt of the requested information, we will make and issue a decision within 15 days. If we deny your claim (if we do not agree to provide or pay for all the Services you requested), our written decision will tell you why we denied your claim and how you can appeal and, if applicable, how your physician may request a peer-to-peer conversation.

b. Procedure for Appealing our Denial of a Non-Urgent Pre-Service Claim

Within 180 days after you receive our written decision denying your claim, you, or a representative you designate in writing, may appeal our denial of your claim for Health Plan to provide or pay for a Service you have not yet received. We will review your appeal and send you a written decision within 30 days after receipt of your appeal request.

You may review our claim file and give us evidence and testimony. If we intend to uphold our previous adverse determination, we will provide you with any additional evidence we considered, relied on, or generated in making our decision, or any new or additional rationale on which our decision may be based, before we send you a final decision on appeal.

If we deny your appeal, our written decision will tell you why we denied your appeal, and will notify you of whether you have a right to file a voluntary second level appeal. We will also notify you of whether you have a right, under certain circumstances, to request an external review.

If you are not satisfied with the result of the first level of appeal, under certain circumstances you have the right to request a voluntary second level appeal. In those circumstances, you may submit your written request for a voluntary second level appeal to our **Appeals Program**, at the address shown above, within 30 days of receiving the first level appeal decision. A review hearing will be held within 60 days of receipt of the request for a voluntary second level appeal. If your appeal is totally or partially denied, we will also notify you of your right, under certain circumstances, to request an external review.

c. Procedure for Making an Urgent Pre-Service Claim

Contact **Member Services** and tell them that you want to make a claim for Health Plan to provide or pay for a Service you have not yet received. *Denver/Boulder* Members, please call **Member Services** at **303-338-3800** or toll-free at **1-800-632-9700** or TTY **1-800-521-4874**; *Southern Colorado* Members, please call **Member Services** toll-free at **1-888-681-7878** or TTY **1-800-521-4874**. Or you can write to: **Member Services, Kaiser Foundation Health Plan of Colorado, 2500 South Havana Street, Aurora, CO 80014-1622**. Your written or verbal request and any related documents you give us constitute your claim.

If your urgent request is not submitted according to these procedures, you will be notified in writing within 24 hours of the proper procedures for filing your request.

If we determine that your claim is not urgent, we may treat your claim as non-urgent.

We will review your claim and if we have all the information we need, we will notify you and your physician of our decision verbally within 24 hours after we receive your claim. If we cannot make a determination because we do not have all the information we need, we will ask you for more information within 24 hours of receipt of your claim. You will have 48 hours from the time of notification to provide the missing information. We will make a decision: (i) within 48 hours after receipt of the requested information or (ii) at the end of the 48-hour period given you to provide the specified additional information, whichever comes first.

If we deny your claim, our written decision will tell you why we denied your claim and how you can appeal or, if applicable, how your physician may request a peer-to-peer conversation.

d. Procedure for Appealing our Denial of an Urgent Pre-Service Claim

You, or a representative you designate in writing, can call or write an Appeals Analyst and tell them that you want to appeal our denial of your urgent claim for Health Plan to provide or pay for a Service you have not yet received. Explain all of the reasons why you disagree with our denial of your claim and include all supporting documents. Your written or verbal request and the supporting documents constitute your urgent appeal. Send your urgent appeal request to: **Appeals Program, Kaiser Foundation Health Plan of Colorado, P.O. Box 378066, Denver, CO 80237-8066**, or call our **Appeals Department** at **303-344-7933** or toll-free at **1-888-370-9858** or TTY **1-800-659-2656**.

You may request an expedited appeal of the denial of your urgent pre-Service claim. Your request for an expedited appeal will be accepted only if a delay in receipt of the denied Service (i) could seriously jeopardize your life, health or ability to regain maximum function, or if you have a disability, create an imminent and substantial limitation on your existing ability to live independently, or (ii) would, in the opinion of a physician with knowledge of your medical condition, subject you to severe pain that cannot be adequately managed without the Services you are requesting. If you receive any of the Services you are requesting before we make our decision, your appeal will become a non-urgent appeal with respect to those Services (see “b. Procedure for Appealing our Denial of a Non-Urgent Pre-Service Claim”).

We will review your appeal and notify you of our decision verbally and in writing within 72 hours after we receive your appeal.

You may review our claim file and give us evidence and testimony. If we intend to uphold our previous adverse determination, we will verbally inform you of any additional evidence we considered, relied on, or generated in making our decision, or any new or additional rationale on which our decision may be based, before we send you a final decision on appeal.

If we deny your appeal, our written decision will tell you why we denied your appeal and will include any further review options that may be available to you. We will also notify you of your right, under certain circumstances, to request an external review.

3. Concurrent Care Claims

Concurrent care claims are requests that Health Plan continue to approve an ongoing course of covered treatment to be provided over a period of time or number of treatments, when the course of treatment prescribed will expire. For questions about concurrent care claims, *Denver/Boulder* Members, please call **Member Services** at **303-338-3800** or toll-free at **1-800-632-9700** or TTY **1-800-521-4874**; *Southern Colorado* Members, please call **Member Services** toll-free at **1-888-681-7878** or TTY **1-800-521-4874**. If you have questions regarding appeals, please call our **Appeals Program** at **303-344-7933** or toll-free at **1-888-370-9858** or TTY **1-800-659-2656**.

a. Procedure for Making a Concurrent Care Claim When Your Course of Treatment Will Expire

At least 24 hours before the expiration of the course of treatment, contact a representative of the department that initially approved your course of treatment and tell them that you want to make a concurrent care claim for Health Plan to approve a course of treatment that is expiring. Your written or verbal request and any related documents you give us constitute your claim.

We will review your claim and notify you of our decision verbally or in writing within 24 hours after we receive your claim. Written confirmation of the determination will be provided within three (3) days following verbal notification. Your ongoing treatment will be covered until we notify you of our decision.

If we deny your claim (if we do not agree to continue approval of all the Services you requested), our written decision will tell you why we denied your claim and how you can appeal.

b. Procedure for Appealing our Denial of Concurrent Care Claims

You, or a representative you designate in writing, can call or write an Appeals Analyst and tell them that you want to appeal our denial of your request that Health Plan continue to approve an ongoing course of covered treatment to be provided over a period of time or number of treatments, when the course of treatment prescribed will expire. Explain all of your reasons why you disagree with our denial of your claim, and include all supporting documents. Your written or verbal request and the supporting documents constitute your appeal. Send your appeal request to: **Appeals Program, Kaiser Foundation Health Plan of Colorado, P.O. Box 378066, Denver, CO 80237-8066** or call our **Appeals Program** at **303-344-7933** or toll-free at **1-888-370-9858** or TTY **1-800-659-2656** or fax your request to **303-344-7951**.

We will review your appeal and notify you of our decision verbally and in writing within 72 hours after we receive your appeal. Your ongoing treatment will be covered until we notify you of our decision.

You may review our claim file and give us evidence and testimony. If we intend to uphold our previous adverse determination, we will verbally inform you of any additional evidence we considered, relied on, or generated in making our decision, or any new or additional rationale on which our decision may be based, before we send you a final decision on appeal.

If we deny your appeal, our written decision will tell you why we denied your appeal, and will include any further review options that may be available to you. We will also notify you of your right, under certain circumstances, to request an external review.

4. External Review

a. The Colorado Division of Insurance contracts with independent external review organizations to provide independent review of decisions made by Health Plan regarding health care Services when certain circumstances exist. You may request an external review: (i) after the internal appeal processes have been exhausted; (ii) in circumstances in which the timeframe for completion of an expedited internal appeal would seriously jeopardize your life or health, or would jeopardize your ability to regain maximum function at the same time you request an expedited internal appeal; and (iii) upon notice of Health Plan's determination that a health care Service has been reviewed and did not meet Health Plan's requirement for Medical Necessity, appropriateness, health care setting, level of care, effectiveness, or efficiency, or is an excluded benefit for which you can provide evidence from a medical professional that there is a reasonable medical basis that the contractual exclusion does not apply, and (iv) the requested Service or coverage for the Service was denied, reduced or terminated. Independent external review is voluntary and is provided at no cost to you.

b. To Request an External Review you Must:

Submit your request for an external review in writing to our **Appeals Program**, at the address shown above, within 60 calendar days of receiving an adverse determination in denial of your appeal and include the following:

- i. A completed external review request form as specified by the Colorado Division of Insurance. Please call the **Appeals Program** at **303-344-7933** or toll-free at **1-888-370-9858** or TTY **1-800-659-2656** to request the form; and
- ii. A signed consent authorizing Health Plan to disclose Protected Health Information (PHI) pertinent to the external review; and
- iii. Any new information that you feel should be considered.

The independent external review organization will issue its decision within 30 working days of Health Plan's receipt of your request, except that the time period may be extended for up to ten (10) working days for the consideration of additional information.

You may request an "expedited" external review if you have a medical condition where the timeframe for completion of a standard review would seriously jeopardize your life or health, would jeopardize your ability to regain maximum function, or if you have a disability, would create an imminent and substantial limitation of your existing ability to live independently. A request for an expedited review must be accompanied by a written statement from your physician that your condition meets these criteria. The independent external review organization will issue its expedited decision within seven (7) working days of their receipt of your request, except that the time period may be extended for up to five (5) working days for the consideration of additional information.

If the independent review organization overturns our decision not to authorize concurrent or pre-Service care, we will authorize care within one working day. For post-Service reviews which are overturned, we will approve coverage of the claim within five (5) working days.

VII. TERMINATION OF MEMBERSHIP

Your Group is required to inform the Subscriber of the date your coverage terminates. If your membership terminates, all rights to benefits end at 11:59 p.m. on the termination date. In addition, Dependents' memberships end at the same time the Subscriber's membership ends. You will be billed as a non-Member for any Services you receive after your membership terminates. Health Plan and Plan Providers have no further responsibility under this EOC after your membership terminates, except as provided under "Termination of Group Agreement" in this "Termination of Membership" section.

This "Termination of Membership" section describes how your membership may end and explains how you may be able to maintain Health Plan coverage without a break in coverage if your membership under this EOC ends.

A. Termination Due to Loss of Eligibility

If you meet the eligibility requirements described under "Who Is Eligible" in the "Eligibility and Enrollment" section on the first day of a month, but later in that month you no longer meet those eligibility requirements, your membership terminates on the last day of that month unless your Group has an agreement with us to terminate at a time other than on the last day of the month. Please check with your Group's benefits administrator to confirm your termination date.

B. Termination of Group Agreement

If your Group's Agreement with us terminates for any reason, your membership ends on the same date.

If your Group's Agreement terminates for reasons other than nonpayment of Dues, fraud or abuse, while you are an inpatient in a hospital or institution, your coverage will continue until your date of discharge.

C. Termination for Cause

We may terminate the memberships of the Subscriber and all Dependents in your Family Unit by sending written notice to the Subscriber at least 15 days before the termination date if anyone in your Family Unit commits any of the following acts:

1. You are disruptive, unruly, or abusive to the extent that the ability of Health Plan or a Plan Provider to provide Services to you, or to other Members, is seriously impaired; or
2. You fail to establish and maintain a satisfactory provider-patient relationship, after the Plan Physician has made reasonable efforts to promote such a relationship; or
3. You knowingly: (a) misrepresent membership status, (b) present an invalid prescription or physician order, (c) misuse (or let someone else misuse) a Health Plan ID card, or (d) commit any other type of fraud in connection with your membership (including your enrollment application), Health Plan or a Plan Provider; or
4. You knowingly furnish incorrect or incomplete information to us or fail to notify us of changes in your family status or Medicare coverage that may affect your eligibility or benefits.

Termination of membership for any one of these reasons applies to all members of your Family Unit. All rights to benefits cease on the date of termination. You will not be allowed to convert to non-group coverage or to re-enroll in Health Plan. You will be billed as a non-Member for any Services received after the termination date. You have the right to appeal such a termination. To appeal, *Denver/Boulder* Members, please call **Member Services** at **303-338-3800** or toll-free at **1-800-632-9700** or TTY **1-800-521-4874**; *Southern Colorado* Members, please call **Member Services** toll-free at **1-888-681-7878** or TTY **1-800-521-4874**; or you can call the Colorado Division of Insurance.

We may report any member fraud to the authorities for prosecution and pursue appropriate civil remedies.

D. Termination for Nonpayment

1. Nonpayment of Dues

You are entitled to coverage only for the period for which we have received the appropriate Dues from your Group. If your Group fails to pay us the appropriate Dues for your Family Unit, we will terminate the memberships of everyone in your Family Unit.

2. Nonpayment of Any Other Charges

We may terminate your membership if you fail to pay any amount you owe Health Plan or to a Plan Provider. We will send written notice of the termination to the Subscriber at least 15 days before the termination date. If we receive full payment before the termination date, we will not terminate your membership. Also, if we terminate your membership for nonpayment of any other Charges, we will reinstate your membership without a lapse in coverage if we receive full payment on or before the next scheduled payment due date.

Persons whose memberships are terminated for nonpayment of any other Charges may not enroll in Health Plan unless all amounts owed have been paid, and then, only if we approve the enrollment.

E. Continuation of Group Coverage Under Federal Law, State Law or USERRA

1. Federal Law (COBRA)

You may be able to continue your coverage under this EOC for a limited time after you would otherwise lose eligibility, if required by the federal COBRA law. Please contact your Group if you want to know how to elect COBRA coverage or how much you will have to pay your Group for it.

2. State Law

If you are not eligible to continue uninterrupted group coverage under federal law (COBRA), you may be eligible to continue group coverage under Colorado law. Colorado law states that if you have been a Member for at least six (6) consecutive months immediately prior to termination of employment, continue to meet the eligibility requirements of Group and Health Plan and continue to pay applicable monthly Dues to your Group, you may continue uninterrupted group coverage. If loss of eligibility occurs because of the following reasons, you and/or your Dependents may continue group coverage subject to the terms below:

- a. Your coverage is through a Subscriber who dies, divorces or legally separates or becomes entitled to Medicare or Medicaid benefits; or
- b. You are a Subscriber (or your coverage is through a Subscriber) whose employment terminates, including voluntary termination or layoff, or whose hours of employment have been reduced.

You may enroll children born or placed for adoption with you during the period of continuation coverage. The enrollment and effective date shall be as specified under the "Eligibility and Enrollment" section.

To continue coverage, you must request continuation of group coverage on a form furnished by and returned to your Group along with payment of applicable Dues, no later than 30 days after the date on which your Group coverage would otherwise terminate.

Termination of State Continuation Coverage. Continuation of coverage under this provision continues upon payment of the applicable Dues to your Group and terminates on the earlier of:

- a. 18 months after your coverage would have otherwise terminated because of termination of employment; or
- b. The date you become covered under another group medical plan; or
- c. The date Health Plan terminates its contract with the Group.

We may terminate your continuation coverage if payment is not received when due.

If you have chosen an alternate health care plan offered through your Group, but elect during open enrollment to receive continuation coverage through Health Plan, you will only be entitled to continued coverage for the remainder of the 18-month maximum coverage period.

NOTE: If your Dependent child ceases to qualify as an eligible Dependent under Health Plan, such as reaching the age constraints, he/she may elect to convert to a non-group plan on a direct pay basis (see “Eligibility and Enrollment” and “Conversion of Membership” for more details).

3. USERRA

If you are called to active duty in the uniformed services, you may be able to continue your coverage under this EOC for a limited time after you would otherwise lose eligibility, if required by the federal USERRA law. You must submit a USERRA election form to your Group within 60 days after your call to active duty. Please contact your Group if you want to know how to elect USERRA coverage or how much you will have to pay your Group for it.

F. Conversion of Membership

You may be eligible to convert to a non-group plan on a direct pay basis if you no longer meet the eligibility requirements described under “Who Is Eligible” in the “Eligibility and Enrollment” section or if you enroll in COBRA or USERRA continuation coverage and then lose eligibility for that COBRA or USERRA coverage. However, you may not convert to this non-group plan if:

1. you continue to be eligible for coverage through your Group; or
2. you live in another Kaiser Foundation Health Plan or allied plan service area, except that the Subscriber’s or the Subscriber’s spouse’s otherwise eligible children are not ineligible to be covered Dependents solely because they live in another Kaiser Foundation Health Plan or allied plan service area if: (a) they are attending an accredited college or accredited vocational school or (b) you are required to cover them pursuant to a Qualified Medical Child Support Order (QMCSO); or
3. your membership ends because our Agreement with your Group terminates; or
4. we terminated your membership under “Termination for Cause” or “Nonpayment of Any Other Charges” in this “Termination of Membership” section.

You must apply to convert your membership within 31 days after your Group coverage ends. During this period, no medical review is required, and your non-group coverage begins when your Group coverage ends. You will have to pay Dues, and the benefits, Copayments and Coinsurance under the non-group coverage may differ from those under this EOC.

For information about converting your membership or about other non-group plans, *Denver/Boulder* Members, please call **Member Services** at **303-338-3800** or toll-free at **1-800-632-9700** or TTY **1-800-521-4874**; *Southern Colorado* Members, please call **Member Services** toll-free at **1-888-681-7878** or TTY **1-800-521-4874**.

G. Moving to Another Kaiser Foundation Health Plan or Allied Plan Service Area

You must notify us immediately if you permanently move outside the Service Area. If you move to another Kaiser Foundation Health Plan or allied plan service area, you should contact your Group’s benefits administrator before you move to learn about your Group health care options. You will be terminated from this Plan, but you may be able to transfer your group membership if there is an arrangement with your Group in the new service area. However, eligibility requirements, benefits, Dues, Copayments and Coinsurance may not be the same in the other service area.

VIII. MISCELLANEOUS PROVISIONS

A. Administration of Agreement

We may adopt reasonable policies, procedures, and interpretations to promote orderly and efficient administration of the Group Agreement and this EOC.

B. Advance Directives

Federal law requires Kaiser Permanente to tell you about your right to make health care decisions.

Colorado law recognizes the right of an adult to accept or reject medical treatment, artificial nourishment and hydration, and cardiopulmonary resuscitation. Each adult has the right to establish, in advance of the need for medical treatment, any directives and instructions for the administration of medical treatment in the event the person lacks the decisional capacity to provide informed consent to or refusal of medical treatment. (Colorado Revised Statutes, Section 15-14-504)

Kaiser Permanente will not discriminate against you whether or not you have an advance directive and will follow the requirements of Colorado law respecting advance directives. If you have an advance directive, please give a copy to the Kaiser Permanente medical records department or to your provider.

A health care provider or health care facility shall provide for the prompt transfer of the principal to another health care provider or health care facility if such health care provider or health care facility wishes not to comply with an agent's medical treatment decision on the basis of policies based on moral convictions or religious beliefs. (Colorado Revised Statutes, Section 15-14-507)

Two (2) brochures are available: *Your Right to Make Health Care Decisions* and *Making Health Care Decisions*. For copies of these brochures or for more information, *Denver/Boulder* Members, please call **Member Services** at **303-338-3800** or toll-free at **1-800-632-9700** or TTY **1-800-521-4874**; *Southern Colorado* Members, please call **Member Services** toll-free at **1-888-681-7878** or TTY **1-800-521-4874**.

C. Agreement Binding on Members

By electing coverage or accepting benefits under this EOC, all Members legally capable of contracting, and the legal representatives of all Members incapable of contracting, agree to all provisions of this EOC.

D. Amendment of Agreement

Your Group's Agreement with us will change periodically. If these changes affect this EOC, your Group is required to notify you of them. If it is necessary to make revisions to this EOC, we will issue revised materials to you.

E. Applications and Statements

You must complete any applications, forms or statements that we request in our normal course of business or as specified in this EOC.

F. Assignment

You may not assign this EOC or any of the rights, interests or obligations hereunder without our prior written consent.

G. Attorney Fees and Expenses

In any dispute between a Member and Health Plan or Plan Providers, each party will bear its own attorneys' fees and other expenses.

H. Claims Review Authority

We are responsible for determining whether you are entitled to benefits under this EOC, and we have the authority to review and evaluate claims that arise under this EOC. We conduct this evaluation independently by interpreting the provisions of this EOC. If this EOC is part of a health benefit plan that is subject to the Employee Retirement Income Security Act (ERISA), then we are a "named fiduciary" to review claims under this EOC.

I. Contracts with Plan Providers

Your Plan Providers are paid in a number of ways, including salary, capitation, per diem rates, case rates, fee for service and incentive payments. If you would like further information about the way Plan Providers are paid to provide or arrange medical and hospital care for Members, *Denver/Boulder* Members, please call **Member Services** at **303-338-3800** or toll-free at **1-800-632-9700** or TTY **1-800-521-4874**; *Southern Colorado* Members, please call **Member Services** toll-free at **1-888-681-7878** or TTY **1-800-521-4874**.

Our contracts with Plan Providers provide that you are not liable for any amounts we owe. However, you may be liable for the cost of non-covered Services or Services you obtain from non-Plan Providers. If our contract with any Plan Provider terminates while you are under the care of that provider, we will retain financial responsibility for covered Services you receive from that provider, in excess of any applicable Copayments and Coinsurance, until we make arrangements for the Services to be provided by another Plan Provider and so notify the Subscriber.

J. Governing Law

Except as preempted by federal law, this EOC will be governed in accord with Colorado law and any provision that is required to be in this EOC by state or federal law shall bind Members and Health Plan whether or not set forth in this EOC.

K. Group and Members not Health Plan's Agents

Neither your Group nor any Member is the agent or representative of Health Plan.

L. No Waiver

Our failure to enforce any provision of this EOC will not constitute a waiver of that or any other provision, or impair our right thereafter to require your strict performance of any provision.

M. Nondiscrimination

We do not discriminate in our employment practices or in the delivery of health care Services on the basis of age, race, color, national origin, religion, sex, sexual orientation, or physical or mental disability.

N. Notices

Our notices to you will be sent to the most recent address we have for the Subscriber. The Subscriber is responsible for notifying us of any change in address. *Denver/Boulder* Members who move should call **Member Services** at **303-338-3800** or toll-free at **1-800-632-9700** or TTY **1-800-521-4874** as soon as possible to give us their new address. *Southern Colorado* Members who move should call **Member Services** toll-free at **1-888-681-7878** or TTY **1-800-521-4874**.

O. Overpayment Recovery

We may recover any overpayment we make for Services from anyone who receives such an overpayment, or from any person or organization obligated to pay for the Services.

P. Privacy Practices

Kaiser Permanente will protect the privacy of your protected health information (PHI). We also require contracting providers to protect your PHI. Your PHI is individually identifiable information about your health, health care services you receive, or payment for your health care. You may generally see and receive copies of your PHI, correct or update your PHI, and ask us for an accounting of certain disclosures of your PHI.

We may use or disclose your PHI for treatment, payment, health research, and health care operations purposes, such as measuring the quality of Services. We are sometimes required by law to give PHI to others, such as government agencies or in judicial actions. In addition, Member-identifiable health information is shared with your Group only with your authorization or as otherwise permitted by law. We will not use or disclose your PHI for any other purpose without your (or your representative's) written authorization, except as described in our *Notice of Privacy Practices* (see below). Giving us authorization is at your discretion.

This is only a brief summary of some of our key privacy practices. Our *Notice of Privacy Practices*, which provides additional information about our privacy practices and your rights regarding your PHI, is available and will be furnished to you upon request. To request a copy, please call Member Services. You can also find the notice at your local Plan Facility or on our website, www.kp.org.

Except for: (1) claims filed in Small Claims Court; (2) Claims subject to the Colorado Health Care Availability Act, Section 13-64-403, C.R.S.; (3) claims subject to the provisions of Colorado Revised Statutes, Section 10-3-1116(1); (4) Benefit claims under Section 502(a)(1)(B) of ERISA, pursuant to a qualified benefit plan; and (5) Claims subject to Medicare Appeals procedures, Chapter 13 of the Medicare Managed Care Manual; your enrollment in this health benefit plan requires that all claims by you, your spouse, your heirs, or anyone acting on your or their behalf, against Kaiser Foundation Health Plan of Colorado, the Medical Group, the Permanente Federation, LLC, The Permanente Company, LLC, or any employees or shareholders of these entities, or Plan Providers or Affiliated Physicians ("Respondent(s)"), which arise from any alleged failure or violation of, including but not limited to any duty relating to or incident to the Evidence of Coverage or the Medical and Hospital Services Agreement, must be submitted to binding arbitration before a single neutral arbiter. By enrolling in this health benefit plan, you have agreed to the use of binding arbitration in lieu of having any such dispute decided in a court of law before a jury.

The arbitration hearing will be conducted in accord with Health Plan procedures, the Colorado Uniform Arbitration Act and the Federal Arbitration Act.

D. Value-Added Services

In addition to the Services we cover under this EOC, we make available a variety of value-added services that are not covered. Examples may include certain non-covered health education classes and publications, discounts for fitness club memberships, health promotion and wellness programs, and rewards for participating in those programs. Some of these value-added services are available to all Members, and others may be available only to Members enrolled through certain groups or plans. To take advantage of the value-added services that are available to you, you need only identify yourself as a Member by showing your Health Plan ID card and pay the fee, if any, to the company that provides the value-added service. Because value-added services are not covered Services, any fees you pay will not count in connection with any coverage calculations, such as deductible or out-of-pocket maximum calculations.

To learn about value-added services, including which value-added services are available to you, you may refer to our quarterly member magazine, *Elevate*, or our website, www.kp.org.

These value-added services are neither offered nor guaranteed under your Health Plan coverage. We may change or discontinue some or all value-added services at any time and without notice to you. Value-added services are not offered as inducements to purchase a health care plan from us. Although value-added services are not covered Services, we may have included an estimate of their cost when we calculated Dues.

We do not endorse or make any representations regarding the quality or medical efficacy of value-added services, or the financial integrity of the companies offering them. We expressly disclaim any liability for the value-added services provided by these companies. If you have a dispute regarding a value-added service, you must resolve it with the company offering the value-added service. Although we have no obligation to assist with this resolution, you may call Member Services, and a representative may try to assist in getting the issue resolved.

Prescribed specialty drugs, including self-administered injectable drugs, are provided at the specialty drug Coinsurance up to the maximum amount per drug dispensed.

Contraceptive drugs and devices are provided at the brand-name Copayment.

For each maintenance drug, the amount covered will not be more than the day supply limit. For each non-maintenance drug, the amount covered will be the lesser of the quantity prescribed or the day supply limit. Certain drugs have a significant potential for waste and diversion. Those drugs will be provided for up to a 30-day supply. Any amount you receive that exceeds the day supply will not be covered. If you receive more than the day supply limit, you will be charged as a non-Member for any prescribed amount exceeding the limit. Each prescription refill is provided on the same basis as the original prescription. Kaiser Permanente may, in its sole discretion, establish quantity limits for specific prescription drugs.

Generic drugs:

- a. Available in the United States only from a single manufacturer; and
 - b. Not listed as generic in the then-current commercially available drug database(s) Health Plan subscribes to;
