The following conditions must be met before submitting an Affidavit:

- The contractor shall be pre-approved by the Chief Building Official
- The work shall be authorized by the appropriate permit
- The work shall be associated with an approved system
- The affidavit shall be on a form provided by the CBO

Check the statements that apply:

- This affidavit is for damp proofing only, NOT for required waterproofing.
- The affidavit shall be left in the permit pack at the jobsite.
- An onsite inspection by the Division of Building Safety has not been conducted.
- The work and conditions described on the approved plan matches the field installation.
- Damp proofing has been applied to all walls or portions thereof that retain earth and enclose interior spaces and floors below grade.
- The damp proofing has been applied from top of footing to the proposed finish grade.
- (OPTIONAL) Photos of the ongoing installation have been provided.

With my signature I verify the foundation damp proofing installation was performed in accordance with the manufacturers' installation specifications, Chapter 4 of the 2009 IRC or Chapter 18 of the 2009 IBC and I release the Town of Estes Park from all liability*.
