 TOWN OF ESTES PARK www.estes.org 970-577-3726 PO Box 1200 170 McGregor Ave Estes Park, CO 80517	GAS VENTING INSTALLATION AFFIDAVIT OF COMPLIANCE Town of Estes Park Division of Building Safety

The following conditions must be met before submitting an Affidavit:

- The contractor shall be pre-approved by the Chief Building Official
- The work shall be authorized by the appropriate permit
- The work shall be associated with an approved system
- The affidavit shall be on a form provided by the CBO

- The Division has pre-approved the gas flue venting installation to be completed without Division inspection.
- The installing contractor shall complete and sign this affidavit.
- The affidavit shall be left in the permit pack at the jobsite.
- The work and conditions described on the permit I approved plan matches the field installation.
- Pre-existing venting is compatible with the new appliance.
- Venting within concealed spaces is properly sealed, sloped and supported.
- Venting within combustible wall or chase has the required clearances to combustibles.
- Masonry chimney relined with venting has been cleaned and structurally repaired as necessary.
- An approved section of vent has been used to get around the smoke shelf.
- An approved draft hood connector or other approved device has been used.
- The damper has been fixed as per installation instructions.
- The termination cap has been sealed and secured as per installation instructions.
- Existing venting connected to the new venting is not corroded from continuous condensation.
- (OPTIONAL) Photos of the ongoing installation have been provided.

With my signature I verify the gas flue venting installation was performed in accordance with the manufacturers' installation specifications, Chapter 24 of the 2009 IRC or Chapter 5 of the 2009 IFGC and I release the Town of Estes Park from all liability*.
