

**COLORADO**  
Department of Health Care  
Policy & Financing

Dear Provider,

A widespread outage earlier this morning affected the Department of Health Care Policy & Financing main website at Colorado.gov/hcpf. The website is now functioning normally.

The website outage did not affect access to the Provider Web Portal, however, providers who do not have the direct link saved may not have been able to navigate to the Provider Web Portal. Please bookmark this link to the Provider Web Portal for easy access to the portal in the event of any future outages: <https://colorado-hcp-portal.xco.dcs-usps.com/hcp/provider>.

Thank you,

Department of Health Care Policy & Financing
