Cash Fund Narrative Information	
Purpose/Background of Fund	<p><b>Main Fund:</b> Created with the passage of SB 01S2-012, the purpose of the fund is to provide for the prevention and treatment of breast and cervical cancer for women for whom it is not otherwise available for reasons of cost. This fund was scheduled to expire after FY 2007-08 but use of the fund was extended through FY 2013-14 by HB 08-1373 and through FY 2018-19 by HB 14-1045 .</p> <p><b>Eligibility Expansion Account:</b> The purpose of the Account balance plus amounts pledged or promised as gifts, grants, or donations may only be appropriated when the Department determines that such amount is sufficient to sustain the projected number of newly eligible individuals described at 25.5-5-308 (2)(a)(I)(B), C.R.S. This account was merged into the main fund by HB 14-1045 starting in FY 2014-15.</p>
Fee Sources	<p><b>Main Fund:</b> There are no fees.</p>
Non-Fee Sources	<p><b>Main Fund:</b> Per SB 01S2-012, monies for this fund are appropriated annually by the General Assembly from interest accrued by the Tobacco Litigation Settlement Trust Fund. However, per SB 03-019, due to this fund being subject to the "annual financial and compliance audit of the 'Colorado Medical Assistance Act'...this program shall not be considered a Tobacco Settlement Program." Therefore, this program does not have a statutory specified limit or allocation amount. Any gifts, grants, or donations also may be credited to the fund.</p> <p>Per 42-3-217.5 (3)(c), C.R.S., a \$25 surcharge is on breast cancer awareness special license plates are to be deposited in the Eligibility Expansion Account within the Fund. Because the eligibility expansion has been authorized, ongoing revenue collections are deposited in the main fund. The license plate surcharge does not qualify as a "fee" pursuant to section 24-75-402(2)(e)(V), C.R.S.</p>

Cash Fund Narrative Information	
Purpose/Background of Fund	The purpose of the fund is to protect the assets and well-being of residents in nursing facilities in case a facility is found to be in violation of federal regulations. The fund was created through the passage of SB 89-005. Penalties assessed against nursing facilities are to be deposited in the fund. SB 14-151 established the nursing home innovations grant board. Any moneys remaining in the fund at the end of a fiscal year may be held over and used by the board in the next fiscal year. Unexpended and unencumbered moneys for the purpose of carrying out the nursing home innovation grant program remain available for expenditure by the departments in the next fiscal year without further appropriation, with the exception that the departments shall ensure that the balance of the nursing home penalty cash fund does not fall below one million dollars as a result of these expenditures. The department can not utilize moneys from the nursing home penalty cash fund for the purpose of paying the cost for administering the fund or for costs of administration associated with any specific movement, association, or organization; except for ten thousand dollars of the moneys which may be used to pay the cost to administer and operate the board, including expense reimbursement for board members
Fee Sources	There are no fees.
Non-Fee Sources	Civil penalties imposed upon and collected from nursing facilities for violations of federal regulations based on surveys by the Department of Public Health and Environment. Penalty amounts are based on facility survey history and the severity of the deficiencies and are determined by either the Centers for Medicare and Medicaid Services or the Department. In addition, interest is earned on the balance of the fund.
