CERTIFICATION: I certify the amount of tire-derived product listed was utilized in the manner specified on this request for a rebate during the listed month. I certify the tire-derived product for which I am claiming a rebate has not been claimed by any other applicant or by myself at a previous time. I also certify the tire-derived product claimed herein for a rebate has not received funding for the processing, retail sale, or end use of the tire-derived product from the Administration, Enforcement and Cleanup Fund (Section 30-20-1404, C.R.S.) and/or the Waste Tire Market Development Fund (Section 30-20-1406, C.R.S.). I also certify that the business address has been approved by local government for waste tire activities and all local, state and federal permit requirements are currently in place. I also certify I am currently not subject to any active environmental compliance action with any federal or state government agency. I also certify the use of the tire-derived product is allowed in the jurisdiction of which it was sold and/or end used.

I further certify the documentation exists at the office of the applicant that demonstrates the tire-derived material was produced from waste tires generated in Colorado as defined in the rules in the Waste Tire End Users Fund [6 CCR 1007-2, Part 1, Section 10.12). Additionally, I certify records exist in our office for review by the Colorado Department of Public Health & Environment that show the purchase price paid or cost of use and the amount of tire-derived product used. I certify I am authorized to sign this application on behalf of the company listed on this application.
