Reporting

Under 6 CCR 1007-2 Section 10 of the Colorado Regulations Pertaining to Solid Waste Sites and Facilities, waste tire haulers must report annually to the Department on or before April 1st of each year, reporting on their waste tire hauling activities of the previous calendar year.

Confidentiality of Report (Optional)

Waste tire haulers may request confidential business protection on volume and quantity data submitted per C.R.S. 24-72-204(3)(a)(IV). The Hazardous Materials and Waste Management Division will not disclose any records in its possession identified as “confidential business information” or as a “trade secret” without giving the party raising the claim notice of the request and an opportunity to contest the release of the information. The burden of proving that the information is protected as a trade secret is on the party raising the claim.

In order to claim this protection, you must meet the following requirements:

1. You must show that you have taken reasonable measures to protect the confidentiality of the information, and that you intend to continue to take such measures;
2. The information is not, and has not been, reasonably obtainable without your consent by other persons using legitimate means;
3. Either:
 - i. You have satisfactorily shown that disclosure of the information is likely to cause substantial harm to your competitive position; or
 - ii. The information is voluntarily submitted information and its disclosure would be likely to impair the Government’s ability to obtain necessary information in the future;
4. No statute specifically requires disclosure of the information; and
5. You have to assert a claim of business confidentiality in writing. You may do so by checking the box below, adding your waste tire hauler facility information and submitting along with your reporting forms.

I have read Items 1-5 and am hereby requesting that information submitted on my 2015 Colorado Commercial Waste Tire Hauler Annual Report form (WT-4) be kept as confidential information.
