Firefighters Participate In Help for Homes

BRIGHTON, Colo.— For the past nine years Brighton Fire Rescue District & Brighton Professional Firefighters have organized a team of volunteers working on their days off to help fix up a home for a local family through the City of Brighton's Help for Homes program. On Thursday (May 12) and Saturday (May 14) the Fire District is once again taking part in the effort. BFRD's team also consists of several volunteers from CrossFit Salvo in Brighton, The Rotary Club of Brighton and Keller Williams Real Estate.

This year the BFRD team has been assigned to the home of an elderly couple in Brighton who needs help making necessary improvements to their home. The work includes some minor construction repairs, priming & painting the entire house and major yard cleanup. The estimated value of the work is \$2,500. Brighton Fire Rescue District is thrilled to team up with Help for Homes once again!
