Dear Legislative Counsel Staff and Mr. Mauer:

The Colorado Department of Higher Education ("Department") respectfully submits the following document in fulfillment of the statutory requirement set forth in HB12-1008. For clarification, only the Division of Private Occupational School (DPOS) within the Department engages in rulemaking.

## 2013-2014 COLORADO DEPARTMENT OF HIGHER EDUCATION REGULATORY AGENDA

**The Division of Private Occupational Schools is entering its Sunset Review whereby a study of the Board and Division's regulations and rules will be completed and submitted to the General Assembly by October 15, 2014. Subsequent to the submission of the report, hearing will be held and legislation may be written which would then be introduced to the Legislature in 2015. As this process will provide the Division with valuable information, the Division anticipates that it will wait until the next legislative session of 2014-2015, after which time it will have received the report, to introduce further rulemaking. The Division of Private Occupational Schools within the Department of Higher Education submits this correspondence as its reported regulatory agenda as required by HB 12-1008.**

Sincerely,

Lorna A. Candler, Director  
Division of Private Occupational Schools
