Dear Primary Medical Care Provider (PCMP),

When verifying member eligibility in the Provider Web Portal, PCMPs with licensed behavioral health clinicians on site should view the Limit Details panel to check the member's available units of short-term behavioral health services.

Refer to the [Provider Web Portal Quick Guide - Verifying Member Eligibility \(including Managed Care Assignment Details and Benefit Plan Information\) and Co-Pay](#), available on the [Quick Guides and Webinars web page](#), for detailed, step-by-step instructions on checking available service units.

Thank you,

Department of Health Care Policy & Financing
