Emergency parking location*

**Location**
Number of spaces available for emergency truck parking

*Emergency Parking* - areas identified as emergency parking are only to be used in the event of a closure of the interstate highway.

CDOT makes no guarantee parking areas (regular or emergency) identified in this guide will be available for parking. Identified parking areas may be unusable because of weather, natural events, road conditions, road work, emergency activities, or because other vehicles are parked in the areas.
