INDUSTRY-WIDE BULLETIN: 16-11

RE: Standardized One Ounce Purchase Limit for Retail Marijuana Now in Effect

Dear MED Licensees:

A statutory change resulting from the 2016 Legislative Session eliminated the quarter ounce purchase limitation for customers unable to provide identification showing Colorado residency. Sales transactions to Colorado residents and non-residents are now limited to one ounce.

Regulations will be aligned with current statute during the 2016 Rulemaking Process.

Regards,

Jim Burack

Director

Marijuana Enforcement Division
