Department of Health Care  
Policy & Financing

**To:** Improving and Bridging Systems Sub-committee

**From:** Carol Plock

**Date:** April 5, 2018

**Subject:** Sub-committee Voting Membership

**Background:** The Improving and Bridging Systems (IBS) sub-committee will leverage the following structure for its voting membership: eight core voting members who are committed to the sub-committee's core question of how the Accountable Care Collaborative fits in with other systems and to attending every meeting and six subject matter experts (SMEs) who are committed to the sub-committee's core question for their respective subject area and to attending when their respective subject area is discussed. This gives IBS a total of 14 voting members with at least 11 members in attendance at each meeting.

**Voting Member Roster:** Below is a tentative roster for IBS.

	<b>Member Name</b>	<b>Member Type</b>	<b>Organization</b>
