

To: In-Home Support Services Participant, Authorized Representative and Family

Hello,

Welcome to In-Home Support Services (IHSS)! As the Training and Operations vendor, Consumer Direct Colorado (CDCO) is excited to welcome you and provide you with resources to using participant-directed services. This packet should be reviewed by the Participant (person receiving services) or their designated Authorized Representative if applicable.

In this packet, you will find the **IHSS Resource Guide**. This guide is a tool to assist you with learning about IHSS and how participant-directed services work. Please take your time to review the enclosed guide and familiarize yourself with the services. At any time if you have questions about IHSS or your role in the services you can contact your Case Manager, your IHSS Agency Provider, or CDCO. The role of CDCO does not replace or change anything with your current IHSS Agency Provider and should serve as a complimentary support to the services they already provide.

For other resources and forms related to IHSS please visit our website- www.consumerdirectco.com or contact us at any time!

Thank you,
