<p>AccuVax: AccuVax is a fully automated cold storage automated vaccine management system. We automate the manual processes around vaccine management such as temperature monitoring, inventory counting, re-ordering, VFC reporting, expiration and more. With AccuVax there is no refrigerator door. This allows us to maintain a very constant and stable temperature environment that traditional refrigerators cannot.</p>	<p>Contact: Tom Gallanis, Senior Director Western Region Phone Direct: 619.884.7801 Office: 844.878.6331 x106 Email: tom.gallanis@trumedsystems.com</p>	<p>Web Address: www.accuvax.com</p>
<p>RT Welter: RT Welter & Associates assists medical providers in developing strategies for a sustainable future built on best practices in the areas of billing, coding, credentialing, payer contracting, technology implementation, financial analysis, and operational efficiencies. In addition, our in-house billing service offers comprehensive revenue cycle management for providers interested in an outsourced option.</p>	<p>Contact: Lou Ann Wilroy, Consultant RT Welter & Associates Phone: 303-880-1108 Email: lwilroy@rtwelter.com</p>	<p>Web Address: http://www.rtwelter.com/</p>

<p>Commonwealth Medicine: The Vaccine Reimbursement Program was founded by Commonwealth Medicine, a division of the University of Massachusetts Medical School. The mission of the Vaccine Program is to provide streamlined billing services to Health Departments and other Public Providers. The Vaccine Reimbursement Program is not a software, it is a comprehensive billing service that removes the administrative burden associated with claiming, contracting and revenue activities.</p>	<p>Contact: Holly Oldham, University of Massachusetts Medical Office Phone: (617) 886-8161 Cell Phone: (617) 314-1431 E-mail: Holly.Oldham@umassmed.edu</p>	<p>Web Address: http://commed.umassmed.edu/flur reimbursement</p>
<p>The Senate Bill 222 Taskforce (SB222 Taskforce) has reviewed information provided by each vendor listed in this table. These vendors represent a variety of solutions available to healthcare providers across Colorado who want to strengthen vaccine management and delivery in their practice. This table is meant to serve as a reference tool to support healthcare providers in selecting services and vendors who might best meet their needs. The SB222 Taskforce does not endorse any one vendor on this table and not all vendors may be represented in the table.</p>
