

Dear Pharmacy Provider,

In accordance with [state](#) and federal law, 42 C.F.R. [§§447.53, 447.56\(f\),\(1\),\(2\),\(3\)](#), the Department has made updates to the Health First Colorado (Colorado’s Medicaid Program) co-payment policies. These changes have been previously reflected in the Department’s [December Provider Bulletin \(B1700407\)](#) and [December Special Provider Bulletin - Co-payment Policy Updates \(B1700408\)](#). This message reiterates the policy updates and points you to a [recorded a webinar](#) that discusses the updates to Health First Colorado co-payment policies.

Co-Payment Increase for Health First Colorado Members Effective January 1, 2018

In accordance with [SB17-267](#) and as stated in the Department’s [December Provider Bulletin \(B1700407\)](#) and [December Special Provider Bulletin - Co-payment Policy Updates \(B1700408\)](#), the Department plans to change the following co-payment policies effective January 1, 2018, for Health First Colorado Members:

Service	Dates of service on and prior to December 31, 2017	Dates of service on and after January 1, 2018
Generic drug*	\$1	\$3
Brand name drug *	\$3	\$3

*Changes apply to all new and refill prescriptions.

The Department’s Medical Services Board voted December 8, 2017, to adopt the Revision to the Medical Assistance Rule Concerning Client Co-Payment, Section 8.754 rule that supports the co-payment increase. Co-pay Limit for Health First Colorado Members

As previously stated in the Department’s [December Provider Bulletin \(B1700407\)](#) and [December Special Provider Bulletin - Co-payment Policy Updates \(B1700408\)](#), all pharmacies should be aware that members are liable for no more than 5% of their monthly household income towards co-payments per month.

Beginning in October 2017, Health First Colorado now notifies members by mail when their household has met its co-payment maximum for the month. The co-payment maximum is 5% of the household monthly income. The head of household will receive a letter showing the household has reached the monthly limit, and how the limit was calculated. Once a member has paid 5% of their monthly household income on co-pays in a month, no one in the household pays co-pays for the rest of that month. For more information, visit HealthFirstColorado.com/copay.

As with current practice, it is critical that pharmacies verify a member's eligibility and co-payment amount at each visit. For more information, visit: HealthFirstColorado.com/copay.

Pharmacies can learn more about the 5% co-payment maximum by viewing our [recorded webinar](#) featuring the Department's Chief Medical Officer, Dr. Judy Zerzan.

As always, pharmacy questions should be directed to the Magellan Rx Management Pharmacy Call Center at 1-800-424-5725.

Thank you,

Health First Colorado (Colorado's Medicaid Program)
