RE: CAUTION AGAINST USE OF GUARDIAN MITE SPRAY – SENT ON BEHALF OF THE COLORADO DEPARTMENT OF AGRICULTURE

Dear Marijuana Industry Stakeholder,

THIS BULLETIN IS BEING DISTRIBUTED ON BEHALF OF THE COLORADO DEPARTMENT OF AGRICULTURE (CDA).

The two attached Pesticide Advisories discuss concerns the CDA have with Guardian Mite Spray and advises industry members against its use until further notice. If you have any questions, please contact Matthew Lopez at 303-869-9058 or matthew.lopez@state.co.us.

The CDA is developing an email distribution list of MED Medical and Retail Marijuana licensees in order to communicate important agricultural information to affected members of Colorado’s marijuana industries. The MED is assisting CDA in this project and more information will be forthcoming from the MED regarding this matter.
