RESOLUTION

No. 2015-19

A Resolution of the Board of County Commissioners of Logan County, Colorado, cancelling certain tax sale certificates issued in error as a result of erroneous severed mineral assessments.

WHEREAS, tax liens on certain severed mineral interests were sold for nonpayment of delinquent ad valorem property taxes, as identified in the attached Exhibit A, and subsequently accrued taxes have been paid by the tax lien certificate holders; and

WHEREAS, the tax liens identified in Exhibit A should not have been sold at the tax sale because they involved incorrectly identified and assessed severed mineral interests; and

WHEREAS, all tax lien certificate holders have been advised of the errors and have assigned their interests in the tax liens to Logan County in order to provide a means to correct the inaccurate assessments; and

WHEREAS, C.R.S. §39-12-111, provides that when, by mistake or error of the treasurer, county clerk and recorder, or assessor or from double assessment, a tax lien has been sold on land upon which no tax was due at the time, the county shall reimburse the purchaser the amount paid in connection with the purchase of the tax lien, together with interest at a rate equal to the two percentage points above the discount rate or 8% per annum, whichever is greater.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Logan County, Colorado, as follows:

1. The tax lien certificate holders listed on Exhibit A have been reimbursed for the purchase price and subsequent taxes from the various funds to which the tax payments were originally distributed together with statutory interest pursuant to C.R.S. §39-12-111, and further, all certificate holders listed on Exhibit A have assigned all of their right, title and interest in the tax lien certificates to Logan County.
2. The tax sale certificates shown on Exhibit A are hereby cancelled.
3. The taxes assessed on the severed mineral interests for the tax years shown on Exhibit A are hereby cancelled and abated pursuant to C.R.S. §§ 39-11-107 and 39-10-114 because the mineral interests were incorrectly assessed.

The above and foregoing Resolution was, on motion duly made and seconded, adopted by the following vote on the 7th day of July A.D., 2015.
