Dear Case Manager,

Post-Eligibility Treatment of Income (PETI) worksheets are currently populating “0” in the member’s gross income field.

The Department and DXC are working to resolve this issue. As a work around until this issue is resolved, case managers are advised to enter the member’s gross income in the appropriate field and then click “calculate.” Case managers can use the member’s gross income from the latest PETI worksheet to enter in the new worksheet.

Thank you,

Department of Health Care Policy & Financing
