*HEALTH TRANSFORMATION IN COLORADO: HOW SIM CAN LEVERAGE
AND SUPPORT COLORADO'S HEALTHY SPIRIT*

WHAT IS COLORADO SIM?

- SIM: State Innovation Model
- SIM is an initiative of the Center for Medicare & Medicaid Innovation (CMMI).
- Colorado was awarded a \$2 million planning grant and \$65 million implementation grant to strengthen Colorado's Triple AIM strategy.
- Encourages states to develop and test models for transforming health care payment and delivery systems.
- Colorado received the 4th largest award based on the State's population.

COLORADO'S SIM VISION

- To create a coordinated, accountable system of care that will provide Coloradans access to integrated primary care and behavioral health in the setting of the patient's medical home.

COLORADO'S SIM GOAL

- Improve the health of Coloradans by providing access to integrated physical & behavioral health care services in coordinated systems, with value-based payment structures, for 80% of Colorado residents by 2019.

COLORADO SIM : WHY IT MATTERS

84%

Of the time, the 14 most common physical complaints have no identifiable organic cause

80%

Of people with a behavioral health disorder will visit primary care at least once a year

> 50%

Of referrals from primary care to an outpatient behavioral health clinic do not make the 1st appointment

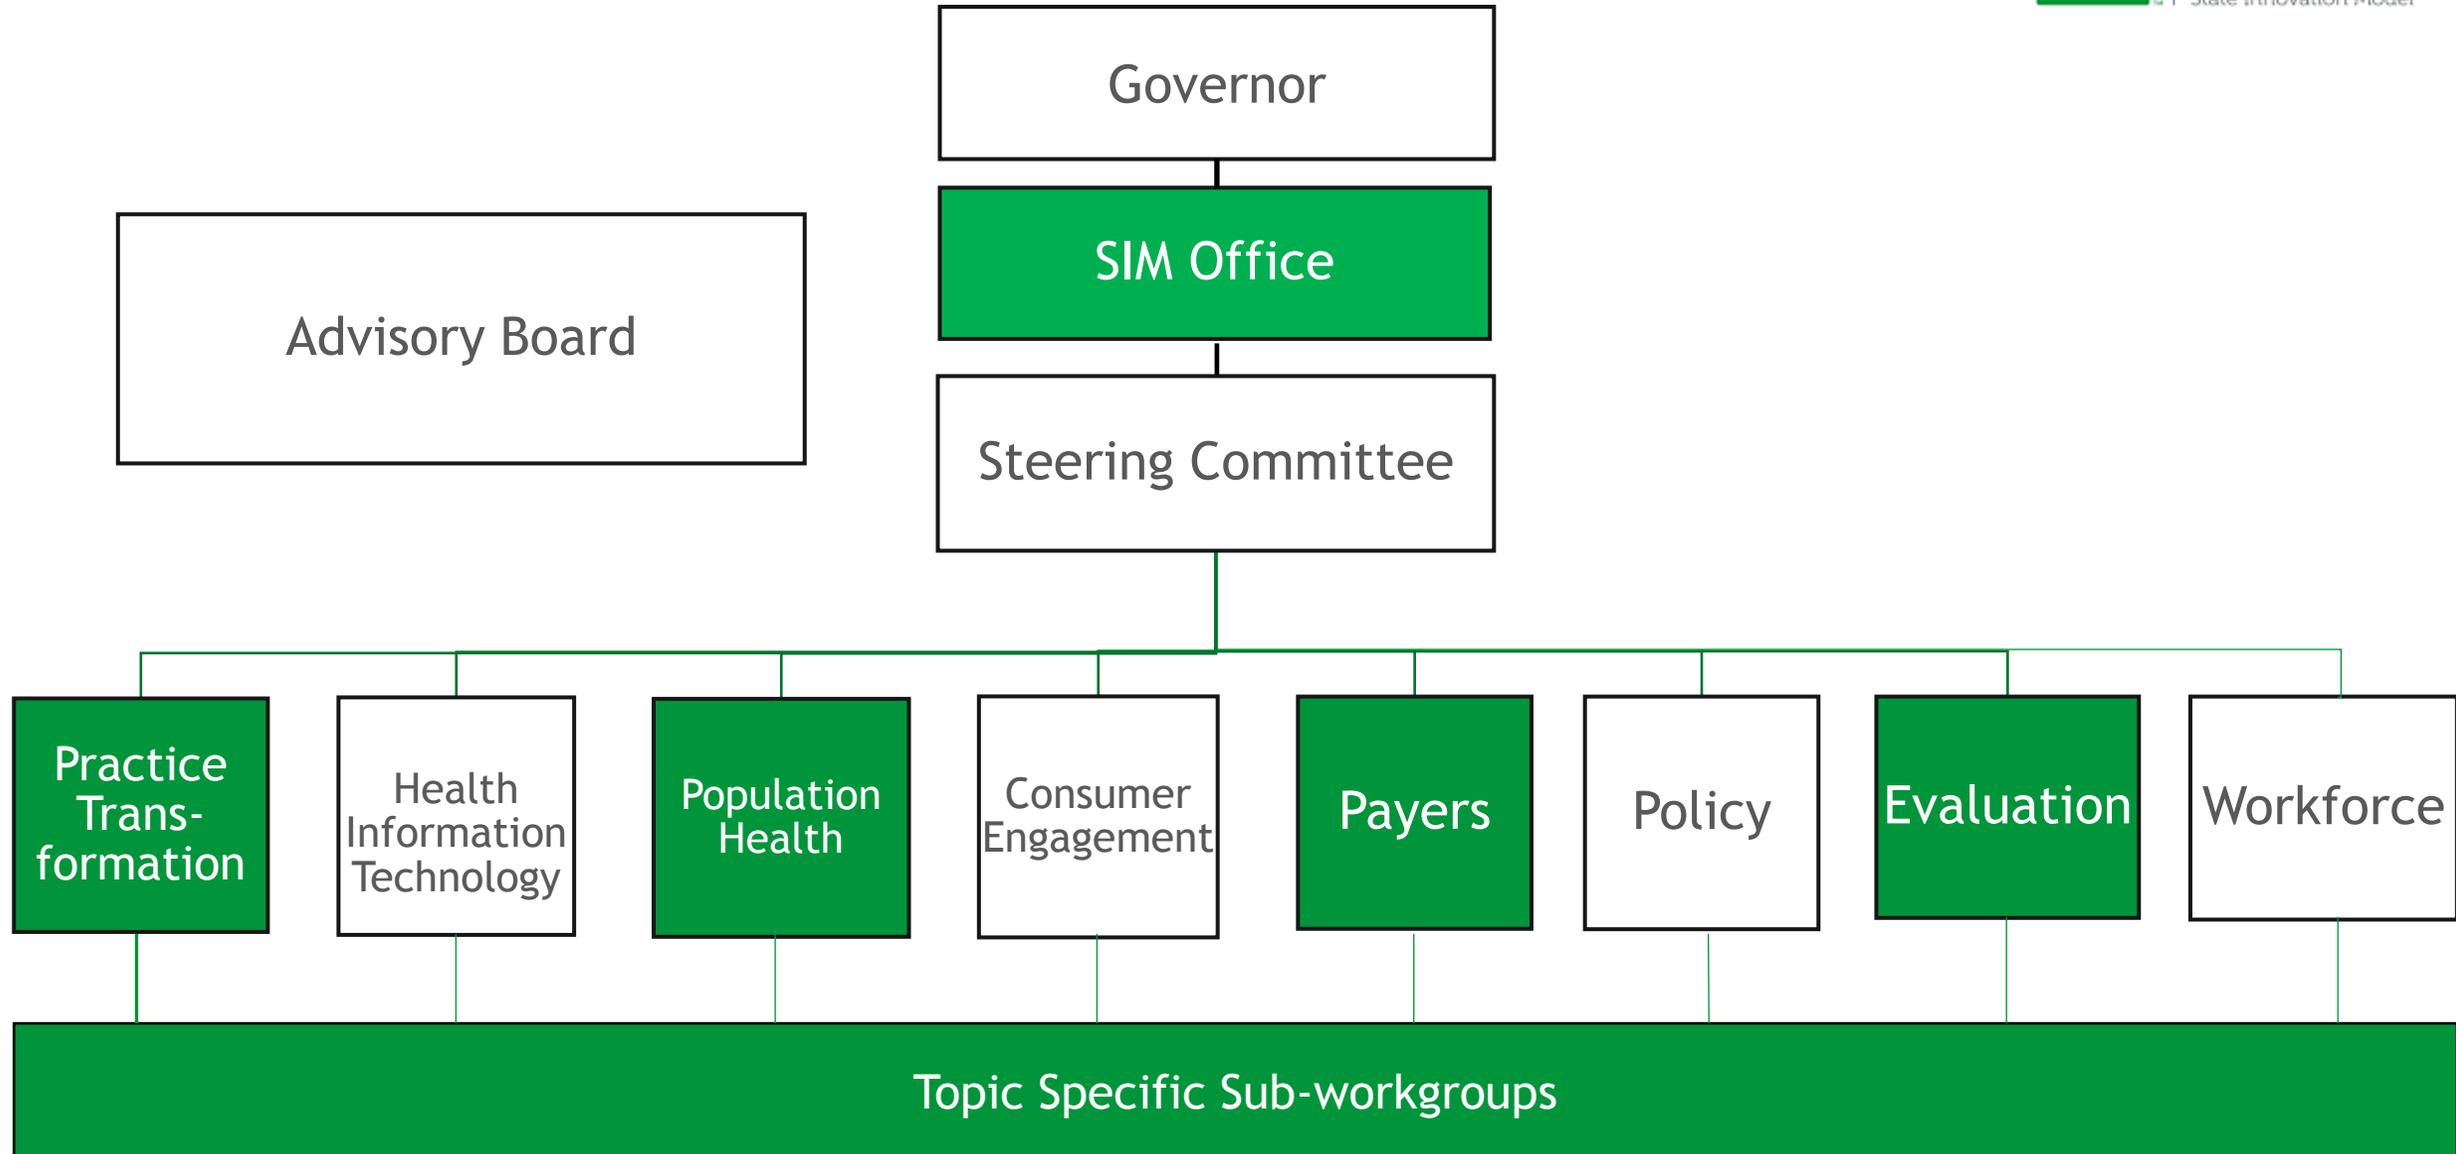

50%

Of behavioral health disorders are treated in primary care

67%

Of people with a behavioral health disorder do not get behavioral health treatment

SIM ORGANIZATION CHART

PAYERS, PURCHASERS & PAYMENT REFORM

- Standardized fee schedule and payment model.
- Proposed model design for value based insurance.
- Payment system focused on the usage of integrated physical and behavioral health care.

POPULATION HEALTH

- Improve physical and behavioral health integration for Colorado communities
- Reduce stigma regarding behavioral health at both the individual and population levels in the State.
- Award 4-5 grants to communities using collaboration and evidence based best practices to improve awareness of integrated behavioral and physical health care in Colorado.
- Provide T.A. to grantees to monitor and evaluate programs.

CONSUMER ENGAGEMENT WORKGROUP

- Create sustainability and cost reduction plans for Colorado communities.
- Determine how primary and behavioral health integration can help the consumers healthcare experience.
- Provide recommendations to other workgroups regarding the consumer aspect of their respective work.

HIT, DATA & QUALITY MEASURES

IF YOU CAN'T MEASURE IT, YOU CAN'T IMPROVE IT

- Clinical IT support for practices
 - HIT assessments: practice, community & state level
 - Support in HIT adoption & integrating HIT tools into workflow
- A governance structure with data policies to support data driven planning & implementation via:
 - Centralized data repository
 - Collecting, merging & analyzing clinical & claims data

QUALITY MEASURES

Hypertension	Obesity	Tobacco	Prevention
Asthma	Diabetes	Ischemic Vascular Disease (IVD)	Safety
Depression	Anxiety	Substance Use	
Postpartum Depression Screening	Developmental Screening		

WORKFORCE DEVELOPMENT

- Training and credentialing for community health workers
- Reimbursement and payment policies for community health workers
- Methodology for assessing and measuring integrated care capacity
- Training support professionals need for integrated care settings and the community
- Plan for policy and regulatory levers to assist integrated care workforce capacity
- Plan to support impact of payment reform on integrated care workforce

POLICY WORKGROUP

- Review incentives and payment reform that Colorado would engage in for providers and patients.
- Review shared savings that will align with communities statewide.
- Identify and recommend legislative and policy changes which may need to be implemented due to an integrated physical and behavioral health care system.

EVALUATION WORKGROUP

- Evaluate the sustainability of the SIM Program and workgroup recommendations
- Ensure effectiveness of SIM projects in completing set goals

PRACTICE TRANSFORMATION & SERVICE DELIVERY

- Integration of physical and behavioral health care in 400 practices over the four year grant period.
- Implementation, assessment and technical requirements for practices to move toward integrated care and new payment model implementation.
 - Toolkits, Learning Collaborative, Disseminating Best Practices, Technical Support, etc.
- Develop inventory of all practices and behavioral health providers in Colorado and what services are being provided.

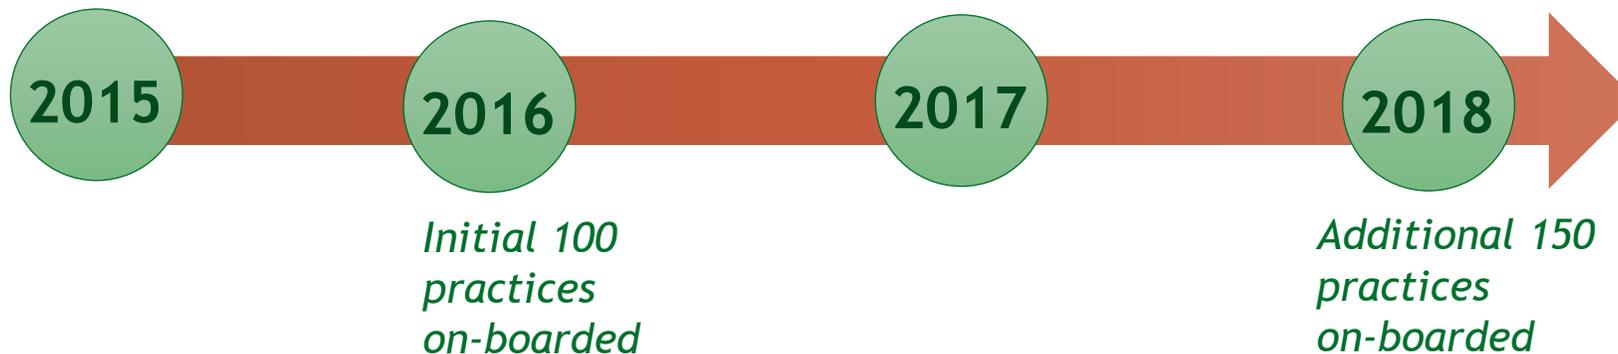

SERVICE DELIVERY & PRACTICE TRANSFORMATION

RIGHT CARE, RIGHT TIME, RIGHT PLACE

- *Traditional model does not address community needs*
- *Colorado SIM: supports, strengthens and reaches 400 practices*

*Ramp-up, including
practice assessment
tool & IT infrastructure*

*Additional
150 practices
on-boarded*

WHAT IS IN IT FOR PRACTICES?

- Practice coaching and HIT technical assistance for up to 2 years
- Regional primary care learning collaboratives
- Access to Practice Transformation Support fund
- Enhanced connections to local community resources through health extension agents and public health office

EXPECTATIONS OF PRACTICES

- Leadership committed to advancing along continuum of behavioral health integration - Coordinate → Co-locate → Integrate
- Achieving milestones of comprehensive primary care
- Participating in learning collaboratives and project evaluation
- Clinical quality measure reporting to data hub
- Accept and account for value-based payments

THE ROLE OF PUBLIC HEALTH

- Two funding opportunities for Local Public Health Agencies:
 - Focus on Mental Health and Substance Use Disorder Outreach, Engagement and Community Training
 - Focus on Maximizing Access to Behavioral Health Preventive Services through Partnerships, Assessment, and Community-Clinical Linkages

THE ROLE OF PUBLIC HEALTH

- Provider Education
 - This Year:
 - Maternal Depression
 - Obesity and Depression
 - Depression in Men
 - Developing a Provider Ed Plan for Years 2-4
 - Evaluation
 - Behavioral Health Metrics
 - Population Health Plan

OPTIMIZING PREVENTION AND TREATMENT OF MENTAL HEALTH AND SUBSTANCE USE DISORDERS

- Community Education related to Mental Health and Substance Abuse
 - Mental Health First Aid
- Programs to reduce the Stigma of Mental health
- Community Assessment and Stakeholder Outreach to support Behavioral Health Integration
- Alignment with Public Health Improvement Plan Priorities

MAXIMIZING ACCESS TO USPSTF A&B RECOMMENDED PREVENTIVE SERVICES

- Focus on Behavioral health:
 - Mental Health
 - Substance Use Disorders
 - Tobacco
 - Obesity
 - Diabetes
- Partner with Health Systems and RCCOs
- Community Assessment Resources and Gaps
- Create Linkages between Practices, Community Resources, and Public Health

MAKING INTEGRATION SUSTAINABLE

SIM GOAL

- Improve the health of Coloradans by providing access to integrated physical & behavioral health care services in coordinated systems, with value-based payment structures, for 80% of Colorado residents by 2019.

PAYMENT REFORM

- Practices with payer and system support will be more successful
- Transformation fund can offer partial offset of startup costs
- Early commitment from several payers
- 30-50 practices in Cohort 1 expected to have non-fee-for-service support
- Payer workgroup working to ramp up value based payments targeted to SIM practices over 4 years of SIM
