

# DETAILED AGENDA

## 2016 MCH Conference

### Making a Population-Based Difference

Monday, February 29, 2016 10:00 am - 5:30 pm		
9:00 am - 10:00 am	<b>Registration</b>	Centennial Ballroom
10:00 am - 10:10 am	<b>Welcome &amp; housekeeping</b> <i>Heather Baumgartner</i>	Centennial Ballroom
10:10 am - 10:25 am	<b>Opening remarks</b> <i>Dr. Larry Wolk</i>	Centennial Ballroom
10:25 am - 10:50 am	<p><b>MCH 2016-2020: Working together to Improve MCH in Colorado</b> <i>Karen Trierweiler</i></p> <p>This session will review the purpose of Colorado's MCH program and highlight state and local achievements during the 2011-2015 needs assessment cycle. Colorado's 2016-2020 priorities and plans for moving forward in terms of implementation science and MCH Impact will also be highlighted. At the completion of this session, participants will be able to:</p> <ol style="list-style-type: none"> <li>1. Identify 1-2 state and local MCH accomplishments from 2011-2015.</li> <li>2. Identify Colorado's 2016-2020 priorities.</li> <li>3. Discuss at least 2-3 approaches to our work as state and local partners in 2016-2020.</li> </ol>	Centennial Ballroom
10:50 am - 11:45 am	<p><b>Reflection on Public Health Practice</b> <i>Chad Abresch</i></p> <p>This presentation will explore three important reflections on public health practice. Questions for consideration will include: (1) how equity minded is your practice? (2) how evidence-based is your practice? and (3) how community integrated is your practice? Contemporary opportunities and threat will be discussed as participants consider how best to protect and promote the health of women children and families.</p>	Centennial Ballroom

**2016 MCH Conference**

Making a Population-Based Difference

11:45 am - 1:00 pm	<b>Lunch with roundtables</b>	Centennial Ballroom
1:00 pm - 2:15 pm	<b>Breakout session #1</b>	
	<p>Reducing stigma and promoting screening to treatment for maternal mental health <i>Lauren Bardin</i></p> <p>Participants will learn about state and local strategies to improve maternal mental health in Colorado. During this interactive session, participants will provide input on action items necessary to addressing maternal mental health within their local communities.</p>	Fir Room
	<p>Medical Home: Strengthening Systems of Care and Support for CYSHCN <i>Jennie Munthali &amp; Rachel Hutson</i></p> <p>Attendees will preview the Medical Home priority work at the state level and have the opportunity to provide input into the Medical Home local action plan for FY17. The session will include a discussion on readiness factors for implementing the Medical Home priority. Participants will have the opportunity to share examples of their systems work with their Regional Care Collaborative Organizations (RCCOs).</p>	Adler Room
	<p>Promoting Equal Opportunity for Optimal Child Development <i>Eileen Auer Bennett</i></p> <p>Participants will learn about the state and local logic models and actions plans related to increasing developmental screening and referral efforts in local communities. During this interactive session, participants will have an opportunity to provide input to inform the next steps in local agency planning.</p>	Birch Room

Making a Population-Based Difference

	<b>Breakout session #2</b>	
2:20 pm – 3:35 pm	<b>Bullying &amp; Suicide Prevention</b> <i>Tomei Kuehl</i>  This workshop will be an opportunity to discuss strategies that focus on protective factors that impact bullying and suicide. Specifically, strategies will focus on building life skills/resilience and school connectedness to decrease suicide and bullying.	Fir Room
	<b>Preventing Substance Abuse among Pregnant and Breastfeeding Women</b> <i>Rebecca Hebner Roppolo</i>  Introducing a new priority area for the Maternal and Child Health Block Grant! This presentation will cover the current state-level plan for the prevention of substance abuse and misuse, specifically marijuana and prescription drug misuse, among pregnant and breastfeeding women in Colorado. A draft local-level action plan and logic model will be presented for participants’ discussion and consideration for how to best customize activities to fit the needs and strengths of their community.	Adler Room
	<b>Growing Healthy Colorado Kids: Early Childhood Obesity Prevention</b> <i>Jennifer Dellaport, Jodi Christopfel, and Stacy Miller</i>  Is obesity prevention a part of your public health agency’s improvement plan? Intervene early and broadly to prevent obesity later in life. Engage your agency and community in interventions that will set children up with healthy preferences. Come to this session to learn the what, why and how to prevent early childhood obesity.	Birch Room
3:35 pm – 4:00 pm	<b>Break with snacks</b>	Centennial Ballroom
4:00 pm – 4:15 pm	<b>“This is HCP” premier</b> <i>Angela Goodger</i>	Centennial Ballroom

Making a Population-Based Difference

11:30 am - 12:15 am	<p><b>The Value of Community Engagement through the LifeCourse - A Family's Perspective</b> <i>Eileen Forlenza</i></p> <p>This plenary session will explore the value of family and community engagement through the life course. Eileen will share her personal story through the lens of a parent of young adult with special health care needs, illuminating best practices in an authentic way.</p>	Centennial Ballroom
12:15 am - 1:00 pm	<b>Lunch</b>	Centennial Ballroom
1:00 pm - 2:00 pm	<p><b>Translating Aspiration to Operation: Leveraging the Opportunities of Change</b> <i>Oscar Fleming</i></p> <p>In this session, attendees will review aspects of systems and implementation leadership in the context of the evolving Title V block grant program. A case study will be shared and used to highlight approaches that can help advance program priorities in complex, emergent contexts. Participants will have the opportunity to ask questions and discuss systems leadership in the context of Colorado's Title V program.</p>	Centennial Ballroom
2:00 pm - 2:30 pm	<p><b>State of MCH in Colorado</b> <i>Ashley Juhl</i></p> <p>The State of MCH in Colorado will be an overview of the State of Colorado Trend Analysis, 2015 which includes 46 maternal and child health data indicators. This presentation includes an orientation to the state trend analysis along with a discussion of where these indicators are in relation to 2020 targets based on current state level data. In addition, we will review the performance of these indicators over the short term (past five years) and the long term (past ten years).</p>	Centennial Ballroom
2:30 pm - 2:45 pm	<b>Break</b>	Centennial Ballroom

Making a Population-Based Difference

	<b>Breakout session #4 - skill building</b>	
	<p>Community Engagement - from Value to Action! <i>Eileen Forlenza</i></p> <p>This session will provide tips and tools to increase community engagement. Audra and Eileen will share best practices with participants to support concrete next steps to assure the perspective of the community is embedded in MCH action planning and implementation.</p>	Fir Room
2:45 pm - 3:45 pm	<p>Translating Aspiration to Operation: Developing Active Implementation Capacity <i>Oscar Fleming</i></p> <p>In this session, attendees will be introduced to the Active Implementation Frameworks and their application in service to effective program delivery and improvement. The session will include a discussion of stage based activities and the role of implementation teams. Participants will have the opportunity to review and discuss tools in the context of Colorado's Title V program.</p>	Adler Room
	<p>Evaluation: Measuring Effort or Impact <i>Jodi Drisko</i></p> <p>This session will give an overview of evaluation and how it fits in with other agency priorities, things to think about when prioritizing evaluation tasks. There will be a brief overview of defining measures for effort and impact, quality and quantity, process and outcome in an easy to use 2x2 grid. Group discussion is encouraged for participants to share how they use evaluation in their health departments, both formal and informal.</p>	Birch Room
3:45 pm - 4:15 pm	<p><b>Final remarks and closing</b> <i>Heather Baumgartner</i></p>	Centennial Ballroom
