Dear Liquor Stakeholders,

Thank you for your participation and suggestions during this week's Liquor Rules Working Group. Linked below are the updated Regulation(s) 47-603 and 47-505 for your review. While we will be moving on from discussions regarding these Regulations in future working groups (in order to keep to our agenda and ensure we get to all of our topics this year), we will still be accepting written comments and suggestions regarding these, and any other Regulations scheduled to be discussed this year, at: dor_led_rulemaking@state.co.us.

The amendments to Regulation 47-1101 are still being drafted and we will send out the updated Regulation proposal for your review in the near future.

Lastly, please keep an eye on your inbox for the proposed Regulation amendments that we will be discussing at next week's Liquor Rules Working Group, to be held on Thursday, July 16th. We look forward to seeing you there.
