These elections may occur, if twenty (20) percent of the covered employees file a petition within forty-five (45) days of the ratification requesting such election, or to the ratification of an all-union agreement in the construction industry.
 - 5.1.4 Revocation of an All-Union Agreement. An election held to determine whether employees subject to an all-union agreement desire to revoke the authority of the employer and the labor organization to remain in an all-union agreement.

group of employees, an employer, or the representative of either the employer or employees.

- 5.2.2 When a petition for collective bargaining unit election is filed with the Division the Director shall determine the unit or units of employees in which representation is being sought and shall include on any ballot the names or suitable descriptions of each labor organization seeking representation.
- 5.2.3 Upon receipt of a petition for a collective bargaining unit election, the Division shall provide a preliminary notice to the employer for posting in prominent places in and about each plant or operational area of the employer.
- 5.2.4 Requests for a separate unit or to show separately the wishes of employees in a craft, division, department or plant as to the selection of a labor organization shall be submitted to the Division within ten (10) days of the date of the notice.

5.3 Approval of an All-Union Agreement Election

- 5.3.1 Petitions for the approval of an all-union agreement shall be filed with the Division on forms specified by the Division. Such petitions may be filed by a single employee, a group of employees, an employer, or the representative of either of them. The collective bargaining unit shall have been certified by the National Labor Relations Board or the Division, or written evidence of self-certification and such certification must be attached to the petition.
- 5.3.2 The agreements referred to in rule 5.1.2 shall be approved if at least a majority of all the employees eligible to vote or three-quarters or more of the employees who actually voted, whichever is greater, cast affirmative votes in favor of the agreement in a secret-ballot election held under the supervision of the Director.

5.4 Revocation of an All-Union Agreement Election

- 5.4.1 Petitions for the revocation of an all-union agreement shall be filed with the Director of the Division on forms specified by the Division. Such petitions may be filed by the employer or by twenty (20) percent of the employees covered by such agreement.
- 5.4.2 The petition for revocation may only be filed within a time period between one hundred twenty (120) and one hundred five (105) days prior to the end of the collective bargaining agreement or prior to a triennial anniversary of the date of such agreement.

- 5.4.4 The Director may conduct an election for revocation within a collective bargaining unit no more often than once during the term of any collective bargaining unit or once every three (3) years in the case of agreements for a period longer than three (3) years.
- 5.4.5 The Director shall declare an all-union agreement terminated if, pursuant to the petition filed in accordance with rule 5.4.1, there is an affirmative vote of at least a majority of all the employees eligible to vote or three-quarters or more of the employees who actually voted, whichever is greater in the election conducted under the supervision of the Director.
- 5.4.6 Upon the filing of an employee's petition, the Director, based upon his or her investigation, shall verify the employment status and eligibility of the petitioning

employees and shall determine whether such petitions have been properly signed by at least twenty (20) percent of the employees covered by such agreement on the date of the filing of the petition.

- 5.5 Whenever an election is held involving an all-union agreement, all employees covered by the agreement shall be eligible to vote. The Director shall determine whether the employers have signed as part of an association or multi-employer bargaining unit or have signed individually.
- 5.6 When an election is held to approve or revoke an all-union agreement, the results of said election shall be construed as granting or denying authorization to the employer and the labor organization to enter into any form of all-union agreement. Such election shall not be construed as approving or revoking only the specific contract terms proposed or agreed upon.
- 5.7 Any petitions filed by employees seeking an election to approve or revoke an all-union agreement shall remain confidential and shall not be available to any person or party.

Rule 6. ELECTION PROCEDURES

- 6.1 Procedures

Such investigation shall include seeking data relative to whether the unit is the result of an accretion of a unit or whether the agreement is the result of a successor agreement.
 - 6.1.2 The Director shall then request a list of employees from the employer who shall within seven (7) days submit such a list. Said list shall contain the names of all employees in the collective bargaining unit employed by said employer. In the event the employer fails or refuses to furnish a list of employees, the Director will accept as a tentative polling list any list the petitioner may be able to supply or the Director may prepare such a list based on his or her own investigation.
 - 6.1.3 Within twenty (20) days after receipt of a petition, the Director shall meet with the parties in a conference to set the date of the election. The Director, at his or her discretion, may allow for such conference to be conducted by telephone. In the event that the parties are unable to agree and set such a date, the Director shall set a date for the election as soon as is practicable following receipt of a petition.
 - 6.1.4 Having obtained or prepared a tentative polling list and established a date, the Director shall direct the service upon the employer and labor organization a Notice of Election and copies of the tentative polling list that must be displayed or posted in prominent places in and about each plant or operational area of the employer or by an alternative method approved by the Director if posting is not practicable.
 - 6.1.5 The Notice of Election shall specify the time or times and place or places when and where a secret ballot election, according to the purpose of the petition, shall be conducted and shall specify the source of the request for the election except, in the case of an election called by employee petition for ratification or revocation of an all-union agreement, the notice shall simply indicate the request was by employee petition.
 - 6.1.6 In the case of a collective bargaining unit election, the notice of election shall include a description of the unit or units to be formed including classification, crafts and work locations.

- 6.1.7 Any party may file written objections to an election or the tentative polling list subsequent to the filing of the petition for an election, but not later than seven (7) days after being served the Notice of Election. Within seven (7) days after service of the objections, any interested party may file and serve upon the other parties a written response to the objections.
- 6.1.8 The Director shall investigate the objections and issue a determination based on the facts. The Director shall, as promptly as practicable, determine whether a petition for an election is proper. The Director shall forthwith cause copies of his or her determination to be served on all parties. If the Director is unable to decide upon the objections prior to the scheduled election, the election will be cancelled and rescheduled following resolution of the objections.
- 6.1.9 The Division will not consider any petition for a collective bargaining unit election, election for approval of an all-union agreement, or election to approve the ratification of an all-union agreement more often than once in any twelve (12) month period.
- 6.1.10 After resolution of any objections to the tentative polling list or the conducting of an election or in the absence of any objections, the Director shall certify a poll list of qualified voters not later than twenty-four (24) nor earlier than forty-eight (48) hours preceding the time of balloting. The certified poll list shall be available in the office of the Director and to any interested party.

6.2 Conduct of Elections

- 6.2.1 For each election the Director shall cause suitable ballots to be prepared. The Director shall appoint such agents as are necessary to conduct or aid in conducting the election. In situations where the Director shall deem it appropriate, he or she shall have the discretion to prepare bilingual ballots.
- 6.2.2 In his or her discretion, the Director may establish more than one suitable polling place for the same election, and may either provide a separate suitable ballot box and election officials for each place, or establish different times for the reception of ballots by the same officials at different places. In either event, the notice posted at each polling place shall specify that day and hours during which ballots may be cast at that place, and that a voter's ballot shall not be received at a place other than that at which his or her name is so listed, unless the Notice of Election shall specifically authorize voters to vote at other polling places.
- 6.2.3 Each eligible organization requesting recognition as a collective bargaining unit or the union involved in an all-union election, the employer and the employees may designate an individual, who is not a supervisor or administrator and who is not a paid union official, for each polling place who shall be allowed to inspect the poll list and observe the casting of the ballots. No others than the Director and his or her agents shall be allowed to do so, nor shall others remain at the polling place. Any employer, supervisor, administrator or paid union official may be present for the counting of the ballots.
- 6.2.4 Copies of the certified poll list shall be in the possession of the Director or his or her agents during the balloting.
- 6.2.5 Only those persons whose names are on the poll list shall be entitled to vote at the election. Any employee whose name appears on the list of persons eligible to vote, and who has not been lawfully and contractually terminated before the election occurs but had his or her name omitted from the polling list shall be allowed to vote, and his or her ballot shall be received by the Director as a challenged ballot.

- 6.2.6 The individuals selected according to rule 6.2.3 may challenge the right of any person to vote upon the grounds of identity. If the challenged person is unable to provide adequate proof of identity, the Director shall receive the ballot as a challenged ballot.
- 6.2.7 If any employee is unable to prepare his or her ballot by reason of illiteracy, or unfamiliarity with the English language, or for any other reason, he or she may be assisted in preparing his or her ballot by the Director or his or her agents.
- 6.2.8 Solicitation of votes and electioneering shall not be permitted within fifty (50) feet of the polling place.
- 6.2.9 At the time specified in the Notice of Election for the closing of balloting, the Director or his or her agents shall receive the ballots of those employees present at the polling place, and no others.
- 6.2.10 Elections may be conducted by mail at the discretion of the Director.

6.3 Counting of Ballots and Certification of Results

- 6.3.1 At the conclusion of the balloting the Director or his or her agents shall fix and state a time and the place at which the ballots will be counted, taking whatever measures are necessary to ensure secrecy for the election process and the ballots, and to protect the identity of all voters participating in such election. Each party shall be entitled to have one watcher present at the counting of the ballots.
- 6.3.2 If any ballot shall be found to have conflicting marks or if in the opinion of the Director or his or her agents, any ballot is spurious, such ballot shall be disregarded and not counted, and shall be recorded as a spoiled ballot.
- 6.3.3 Any ballot challenged under rules 6.2.5 and/or 6.2.6 will be noted and the challenged ballot will be retained by the Director or his or her designee in a sealed envelope and after having impounded all ballots to protect the identity of the voters, shall receive evidence pertaining to eligibility from the parties and attempt to resolve any challenges. If there is not sufficient evidence presented at that time to make a decision all ballots cast will be sealed in the ballot box and impounded by the Director. The parties will have five (5) days to submit any additional evidence which may assist the Director in reaching a decision. In the event that no decision is reached, the Director shall cause the matter to be heard at a hearing for resolution and decision. Any challenged ballot determined to be invalid shall be declared void and impounded. Those challenged ballots declared to be valid shall be mixed with the unchallenged ballots and counted at a time and place to be fixed by the Director.
- 6.3.4 If there are no challenged ballots the Director or his or her designee shall proceed to count the ballots at such time and place as fixed at the conclusion of the balloting.
- 6.3.5 The Director or his or her agents shall prepare and certify over their signatures, on a form furnished by the Director, a certificate containing a tabulation of the ballots cast, and shall immediately file such certificate and shall deposit all ballots in a sealed container, with the Director.
- 6.3.6 Within five (5) days after the filing and certification of the results of an election, any party may file an appeal in writing with the Director to review the certificate based on error or fraud to the results certified therein. The Director will cause a copy to be served to all interested parties giving each seven (7) days to file and serve written responses.
