In-County Commercial Hauler*

In-County Waste - \$21.00/Ton

Out-of-County Waste - \$42.00/Ton**

Out-of-County Commercial Hauler*

In-County Waste - \$42.00/Ton

Out-of-County Waste - \$49.00/Ton**

*All Commercial Haulers hauling waste in Logan County must obtain an annual county license for commercial transportation of garbage from the Logan County Commissioners Office.

**All Logan County Landfill users who transport solid waste that originated in other counties shall have the duty to report the origin of the solid waste to the Landfill attendant at the time of initial weighing to insure that proper fees are paid. Users who fail to make the required disclosure, at the time of initial weighing and prior to unloading, shall be charged a \$100.00 surcharge per load in addition to the usual fees that are otherwise payable. Use of the Logan County Landfill by any person or business to deposit out-of-county solid waste constitutes that user's agreement to pay the regular user fees, and the surcharge, if disclosure is not made as required above.
