

# Access Bennett

welcome neighbors, to your new town app.

**ACCESS BENNETT** puts many useful Town services at your fingertips. Use it to report issues like potholes, graffiti, broken street lights, barking dogs and missing or damaged street signs directly to the Town. You can even mark the location on a map and snap a photo of the problem area. Once you submit a service request, use **ACCESS**

**BENNETT** to check the status of your request and receive notifications when your request has been resolved!

**ACCESS BENNETT** also gives you access to important announcements and offers notifications of government information in critical events or emergency situations.

## You can:

- Submit service requests directly to Town staff (e.g. potholes, graffiti, broken signs).
- Stay informed of the latest announcements.
- Receive Emergency Notifications.
- Search interactive staff directory & more!
