(b)(I)(A) The state licensing authority shall make no rule regulating or prohibiting the sale of alcohol beverages on credit offered or extended by a licensee to a retailer where the credit is offered or extended for thirty days or less. The state licensing authority shall enforce the prohibition against extending credit for more than thirty days for the sale of alcohol beverages pursuant to 27 CFR part 6 and may adopt rules regulating or prohibiting the sale of alcohol beverages on credit where the credit is offered or extended for more than thirty days, consistent with the federal regulations.

**12-47-203. Performance of duties.**

(1) The performance of the functions or activities set forth in this article and articles 46 and 48 of this title shall be subject to available appropriations; but nothing in this section shall be construed to remove from the state licensing authority the responsibility for performing such functions or activities in accordance with law at the level of funding provided.

(2) Notwithstanding the provisions of subsection (1) of this section, the state shall be the final interpretive authority as it relates to this article and articles 46 and 48 of this title and the rules and regulations promulgated thereunder, concerning persons licensed pursuant to this article and articles 46 and 48 of this title as wholesalers, manufacturers, importers, and public transportation system licensees.

**PART 3  
STATE AND LOCAL LICENSING**

**12-47-301. Licensing in general.**

(1) No local licensing authority shall issue a license provided for in this article or article 46 or 48 of this title until that share of the license fee due the state has been received by the department of revenue. All licenses granted pursuant to this article and articles 46 and 48 of this title shall be valid for a period of one year from the date of their issuance unless revoked or suspended pursuant to section 12-47-601 or 12-47-306.

(2)(a) Before granting any license, all licensing authorities shall consider, except where this article and article 46 of this title specifically provide otherwise, the reasonable requirements of the neighborhood, the desires of the adult inhabitants as evidenced by petitions, remonstrances, or otherwise, and all other reasonable restrictions that are or may be placed upon the neighborhood by the local licensing authority. With respect to a second or additional license described in section 12-47-401 (1) (j) to (1) (t), 12-47-424, or 12-47-410 (1) or in a financial institution referred to in section 12-47-308 (4) for the same licensee, all licensing authorities shall consider the effect on competition of the granting or disapproving of additional licenses to such licensee, and no application

for a second or additional hotel and restaurant or vintner's restaurant license that would have the effect of restraining competition shall be approved.

(b) A local licensing authority or the state on state-owned property may deny the issuance of any new tavern or retail liquor store license whenever such authority determines that the issuance of such license would result in or add to an undue concentration of the same class of license and, as a result, require the use of additional law enforcement resources.

(3)(a) Each license issued under this article and article 46 of this title is separate and distinct. It is unlawful for any person to exercise any of the privileges granted under any license other than that which the person holds or for any licensee to allow any other person to exercise such privileges granted under the licensee's license, except as provided in section 12-46-104 (1) (a), 12-47-402 (2.5), 12-47-403 (2) (a), 12-47-403.5, or 12-47-415 (1) (b). A separate license shall be issued for each specific business or business entity and each geographical location, and in said license the particular alcohol beverages the applicant is authorized to manufacture or sell shall be named and described. For purposes of this section, a resort complex with common ownership, a hotel and restaurant licensee with optional premises, an optional premises licensee for optional premises located on an outdoor sports and recreational facility, and a wine festival at which more than one licensee participates pursuant to a wine festival permit shall be considered a single business and location.

(b) At all times a licensee shall possess and maintain possession of the premises or optional premises for which the license is issued by ownership, lease, rental, or other arrangement for possession of such premises.

(4)(a) The licenses provided pursuant to this article and article 46 of this title shall specify the date of issuance, the period which is covered, the name of the licensee, the premises or optional premises licensed, the optional premises in the case of a hotel and restaurant license, and the alcohol beverages that may be sold on such premises or optional premises. The license shall be conspicuously placed at all times on the licensed premises or optional premises, and all sheriffs and police officers shall see to it that every person selling alcohol beverages within their jurisdiction has procured a license to do so.

(b) No local licensing authority shall issue, transfer location of, or renew any license to sell any alcohol beverages until the person applying for such license produces a license issued and granted by the state licensing authority covering the whole period for which a license or license renewal is sought.

(5) In computing any period of time prescribed by this article, the day of the act, event, or default from which the designated period of time begins to run shall not be included. Saturdays, Sundays, and legal holidays shall be counted as any other day.

(6)(a) Licensees at facilities owned by a municipality, county, or special district or at publicly or privately owned sports and entertainment venues with a minimum seating capacity of one thousand five hundred seats may possess and serve for on-premises consumption any type of alcohol beverage as may be permitted pursuant to guidelines established by the local and state licensing authorities, and the licensees need not have meals available for consumption.

(b) Nothing in this article shall prohibit a licensee at a sports and entertainment venue described in paragraph (a) of this subsection (6) from selling or providing alcohol beverages in sealed containers, as authorized by the license in effect, to adult occupants of luxury boxes located at stadiums, arenas, and similar sports and entertainment venues that are included within the licensed premises of the licensee. However, no person shall be allowed to leave the licensed premises with a sealed container of alcohol beverage that was obtained in the luxury box. As used in this paragraph (b), "luxury box" means a limited public access room or booth that is used by its occupants and their guests at sports and entertainment venues that are provided within the licensed premises.

(7) A licensee shall report each transfer or change of financial interest in the license to the state licensing authority and, for retail licenses, to the local licensing authority within thirty days after the transfer or change. A report shall be required for transfers of capital stock of a public corporation; except that a report shall not be required for transfers of such stock totaling less than ten percent in any one year, but any transfer of a controlling interest shall be reported regardless of size. It is unlawful for the licensee to fail to report a transfer required by this subsection (7). Such failure to report shall be grounds for suspension or revocation of the license.

(8) Each licensee holding a fermented malt beverage on-premises license or on- and off-premises license, beer and wine license, tavern license, club license, arts license, or racetrack license shall manage such premises himself or herself or employ a separate and distinct manager on the premises and shall report the name of such manager to the state and local licensing authorities. Such licensee shall report any change in managers to the

state and local licensing authorities within thirty days after the change. It is unlawful for the licensee to fail to report the name of or any change in managers as required by this subsection (8). Such failure to report shall be grounds for suspension of the license.

(9)(a) A licensee may move his or her permanent location to any other place in the same city, town, or city and county for which the license was originally granted, or in the same county if such license was granted for a place outside the corporate limits of any city, town, or city and county, but it shall be unlawful to sell any alcohol beverage at any such place until permission to do so is granted by all the licensing authorities provided for in this article.

(b) In permitting such change of location, such licensing authorities shall consider the reasonable requirements of the neighborhood to which the applicant seeks to change his or her location, the desires of the adult inhabitants as evidenced by petitions, remonstrances, or otherwise, and all reasonable restrictions that are or may be placed upon the new district by the council, board of trustees, or licensing authority of the city, town, or city and county or by the board of county commissioners of any county.

(10)(a) The provisions of this subsection (10) shall only apply within a county, city and county, or municipality if the governing body of the county, city and county, or municipality adopts an ordinance or resolution authorizing tastings pursuant to this subsection (10). The ordinance or resolution may provide for stricter limits than this subsection (10) on the number of tastings per year per licensee, the days on which tastings may occur, or the number of hours each tasting may last.

(b) A retail liquor store or liquor-licensed drugstore licensee who wishes to conduct tastings may submit an application or application renewal to the local licensing authority. The local licensing authority may reject the application if the applicant fails to establish that he or she is able to conduct tastings without violating the provisions of this section or creating a public safety risk to the neighborhood. A local licensing authority may establish its own application procedure and may charge a reasonable application fee.

(c) Tastings are subject to the following limitations:

(I) Tastings shall be conducted only by a person who has completed a server training program that meets the standards established by the liquor enforcement division in the department of revenue and who is either a retail liquor store licensee or a liquor-licensed drugstore licensee, or an employee of a licensee, and only on a licensee's licensed premises.

(II) The alcohol beverage used in tastings must be purchased through a licensed wholesaler, licensed brew pub, licensed distillery pub, or winery licensed pursuant to section 12-47-403 at a cost that is not less than the laid-in cost of the alcohol beverage.

(III) The size of an individual alcohol sample shall not exceed one ounce of malt or vinous liquor or one-half of one ounce of spirituous liquor.

(IV) Tastings shall not exceed a total of five hours in duration per day, which need not be consecutive.

(V) Tastings shall be conducted only during the operating hours in which the licensee on whose premises the tastings occur is permitted to sell alcohol beverages, and in no case earlier than 11 a.m. or later than 7 p.m.

(VI) The licensee shall prohibit patrons from leaving the licensed premises with an unconsumed sample.

(VII) The licensee shall promptly remove all open and unconsumed alcohol beverage samples from the licensed premises or shall destroy the samples immediately following the completion of the tasting.

(VIII) The licensee shall not serve a person who is under twenty-one years of age or who is visibly intoxicated.

(IX) The licensee shall not serve more than four individual samples to a patron during a tasting.

(X) Alcohol samples shall be in open containers and shall be provided to a patron free of charge.

(XI) Tastings may occur on no more than four of the six days from a Monday to the following Saturday, not to exceed one hundred four days per year.

(XII) No manufacturer of spirituous or vinous liquors shall induce a licensee through free goods or financial or in-kind assistance to favor the manufacturer's products being sampled at a tasting. The licensee shall bear the financial and all other responsibility for a tasting.

(d) A violation of a limitation specified in this subsection (10) or of section 12-47-801 by a retail liquor store or liquor-licensed drugstore licensee, whether by his or her employees, agents, or otherwise, shall be the responsibility of the retail liquor store or liquor-licensed drugstore licensee who is conducting the tasting.

(e) A retail liquor store or liquor-licensed drugstore licensee conducting a tasting shall be subject to the same revocation, suspension, and enforcement provisions as otherwise apply to the licensee.

(f) Nothing in this subsection (10) shall affect the ability of a Colorado winery licensed pursuant to section 12-47-402 or 12-47-403 to conduct a tasting pursuant to the authority of section 12-47-402 (2) or 12-47-403 (2) (e).

(11)(a) This subsection (11) applies only within an entertainment district that a governing body of a local licensing authority has created by ordinance or resolution. This subsection (11) does not apply to a special event permit issued under article 48 of this title or the holder thereof unless the permit holder desires to use an existing common consumption area and agrees in writing to the requirements of this article and the local licensing authority concerning the common consumption area.

(b) A governing body of a local licensing authority may create an entertainment district by adopting an ordinance or resolution. An entertainment district shall not exceed one hundred acres. The ordinance or resolution may impose stricter limits than required by this subsection (11) on the size, security, or hours of operation of any common consumption area created within the entertainment district.

(III) The local licensing authority may refuse to certify or may decertify a promotional association of a common consumption area if the promotional association:

To qualify, the licensee must include a request for authority to attach to the common consumption area from the certified promotional association of the common consumption area unless the promotional association does not exist when the application is submitted; if so, the applicant shall request the authority when a promotional association is certified and shall demonstrate to the local licensing authority that the authority has been obtained by the time the applicant's license issued under this article is renewed.

The authority shall establish the fee in an amount designed to reasonably offset the cost of implementing this subsection (11). Notwithstanding any other provision of this article, a local authority may set the hours during which a common consumption area and attached licensed premises may serve alcohol and the customers may consume alcohol. Before certifying a promotional association, the local licensing authority shall consider the reasonable requirements of the neighborhood, the desires of the adult inhabitants as evidenced by petitions, remonstrances, or otherwise, and all other reasonable restrictions that are or may be placed upon the neighborhood by the local licensing authority.

**12-47-302. License renewal.**

(1) Ninety days prior to the expiration date of an existing license, the state licensing authority shall notify the licensee of such expiration date by first class mail at the business' last-known address. Application for the renewal of an existing license shall be made to the local licensing authority not less than forty-five days and to the state licensing authority not less than thirty days prior to the date of expiration. No application for renewal of a license shall be accepted by the local licensing authority after the date of expiration, except as provided in subsection (2) of this section, but filing with the local licensing authority shall be deemed filing with the state, and all renewals filed with the local licensing authorities prior to expiration, and subsequently approved, shall be processed by the state licensing authority, and the expiration date is extended until the state license is processed. The state or the local licensing authority, for good cause, may waive the forty-five- or thirty-day time requirements set forth in this subsection (1). The local licensing authority may cause a hearing on the application for renewal to be held. No renewal hearing provided for by this subsection (1) shall be held by the local licensing authority until a notice of hearing has been conspicuously posted on the licensed premises for a period of ten days and notice of the hearing has been provided the applicant at least ten days prior to the hearing. The licensing authority may refuse to renew any license for good cause, subject to judicial review. Any renewal hearing held by the state licensing authority shall be pursuant to section 12-47-305 (2).

(2)(a) Notwithstanding the provisions of subsection (1) of this section, a licensee whose license has been expired for not more than ninety days may file a late renewal application upon the payment of a nonrefundable late application fee of five hundred dollars each to the state and local licensing authorities. A licensee who files a late renewal application and pays the requisite fees may continue to operate until both state and local licensing authorities have taken final action to approve or deny such licensee's late renewal application.

(b) A state or local licensing authority shall not accept a late renewal application more than ninety days after the expiration of a licensee's permanent annual license. Any licensee whose permanent annual license has been expired for more than ninety days must apply for a new license pursuant to section 12-47-311 or a reissued license pursuant to paragraph (d) of this subsection (2).

(c) Notwithstanding the amount specified for the fee in paragraph (a) of this subsection (2), the state licensing authority by rule or as otherwise provided by law may reduce the amount of the fee if necessary pursuant to section 24-75-402 (3), C.R.S., to reduce the uncommitted reserves of the fund to which all or any portion of the fee is credited. After the uncommitted reserves of the fund are sufficiently reduced, the state licensing authority by rule or as otherwise provided by law may increase the amount of the fee as provided in section 24-75-402 (4), C.R.S.

(d)(I) Notwithstanding paragraph (b) of this subsection (2), with the permission of the licensing authority, a licensee whose permanent annual license has been expired for more than ninety days but less than one hundred eighty days may submit to the local licensing authority, or to the state licensing authority in the case of a licensee whose alcohol beverage license is not subject to issuance or approval by a local licensing authority, an application for a reissued license. The licensing authority has the sole discretion to determine whether to allow a licensee to apply for a reissued license.

(II) If the licensing authority does not allow the licensee's application, then the licensee must apply for a new license pursuant to section 12-47-311. A person who has applied for a new license shall not sell, or possess for sale in public view, any alcohol beverage until all required licenses have been obtained.

(III) For licensees subject to issuance or approval by a local licensing authority, if the local licensing authority allows the licensee to apply for a reissuance of the expired license, the licensee must submit to the local licensing authority:

- (A) An application for a reissued license;
- (B) Payment of a five-hundred-dollar late application fee; and
- (C) Payment of a fine of twenty-five dollars per day for each day the license has been expired beyond ninety days.

(IV) After the local licensing authority accepts the application, late application fee, and fine, the licensee may continue to operate and sell alcohol beverages until the state licensing authority and local licensing authority have each taken final action on the licensee's application for license reissuance.

(V) If the local licensing authority approves the reissuance of the licensee's license, the local licensing authority shall forward the approved application to the state licensing authority for review. In addition to the late application fee and fine imposed by the local licensing authority, the state licensing authority shall impose a five-hundred-dollar late application fee and a fine of twenty-five dollars per day for each day the license has been expired beyond ninety days.

(VI) For licensees who are not subject to issuance or approval by a local licensing authority, if the state licensing authority allows the licensee to apply for a reissuance of the expired license, the licensee must submit to the state licensing authority:

- (A) An application for a reissued license;
- (B) Payment of a five-hundred-dollar late application fee; and
- (C) Payment of a fine of twenty-five dollars per day for each day the license has been expired beyond ninety days.

(VII) After the state licensing authority accepts the application, late application fee, and fine, the licensee may continue to operate and sell alcohol beverages until the state licensing authority takes final action on the licensee's application for license reissuance.

(VIII) If the state licensing authority approves the reissuance, the licensee will maintain the same license period dates as if the license had been renewed prior to the expiration date.

(IX) If either the local or state licensing authority denies the licensee's application for reissuance of the expired license, then the licensee may apply for a new license pursuant to section 12-47-311.

(X) Neither the state nor local licensing authority may grant a licensee's application for license reissuance more than three times in any five-year period.

**12-47-303. Transfer of ownership and temporary permits.**

(1)(a) No license granted under the provisions of this article or article 46 of this title shall be transferable except as provided in this subsection (1), but this shall not prevent a change of location as provided in section 12-47-301(9).

(b) When a license has been issued to a husband and wife, or to general or limited partners, the death of a spouse or partner shall not require the surviving spouse or partner to obtain a new license. All rights and privileges granted under the original license shall continue in full force and effect as to such survivors for the balance of the license period.

(c) For any other transfer of ownership, application shall be made to the state and local licensing authorities on forms prepared and furnished by the state licensing authority. In determining whether to permit a transfer of ownership, the licensing authorities shall consider only the requirements of section 12-47-307 and 1 CCR 203-2, rule 47-302, entitled "Changing, Altering, or Modifying Licensed Premises", or any analogous successor rule. The local licensing authority may cause a hearing on the application for transfer of ownership to be held. No hearing provided for by this paragraph (c) shall be held by the local licensing authority until a notice of hearing has been conspicuously posted on the licensed premises for a period of ten days and notice of the hearing has been provided the applicant at least ten days prior to the hearing. Any transfer of ownership hearing by the state licensing authority shall be pursuant to section 12-47-305 2).

(2) Notwithstanding the provisions of this article to the contrary, a local licensing authority shall have discretionary authority to issue a temporary permit to a transferee of any retail class of alcohol beverage license issued by the local licensing authority pursuant to this article or article 46 of this title. Such temporary permit shall authorize a transferee to continue selling such alcohol beverages as permitted under the

permanent license during the period in which an application to transfer the ownership of the license is pending.

(3) A temporary permit shall authorize a transferee to conduct business and sell alcohol beverages at retail in accordance with the license of the transferor subject to compliance with all of the following conditions:

(a) The premises where such alcohol beverages are sold shall have been previously licensed by the state and local licensing authorities, and such license shall have been valid at the time the application for transfer of ownership was filed with the local licensing authority that has jurisdiction to approve an application for a temporary permit.

(b) The applicant has filed with the local licensing authority on forms provided by the department of revenue an application for the transfer of the liquor license. Such application shall include, but not be limited to, the following information:

(I) The name and address of the applicant; if the applicant is a partnership, the names and addresses of all the partners; and, if the applicant is a corporation, association, or other organization, the names and addresses of the president, vice-president, secretary, and managing officer;

(II) The applicant's financial interest in the proposed transfer;

(III) The premises for which the temporary permit is sought;

(IV) Such other information as the local licensing authority may require; and

(V) A statement that all accounts for alcohol beverages sold to the applicant are paid.

(c) The application for a temporary permit shall be filed no later than thirty days after the filing of the application for transfer of ownership and shall be accompanied by a temporary permit fee not to exceed one hundred dollars.

(d) When applying with the local licensing authority for a temporary permit, the applicant shall provide a copy, by facsimile or otherwise, of the statement made pursuant to subparagraph (V) of paragraph (b) of this subsection (3) to the state licensing authority. Such statement is a public record and shall be open to inspection by the public.

(4) A temporary permit, if granted, by a local licensing authority shall be issued within five working days after the receipt of such application. A temporary permit issued pursuant to this section shall be valid until such time as the application to transfer ownership of the license to the applicant is granted or denied or for one hundred twenty days, whichever occurs first; except that, if the application to transfer the license has not been granted or denied within the one-hundred-twenty-day period and the transferee demonstrates good cause, the local licensing authority may extend, in its discretion, the validity of said permit for an additional period not to exceed sixty days.

(5) A temporary permit shall also be authorized in the event of a transfer of possession of the licensed premises by operation of law, a petition in bankruptcy pursuant to federal bankruptcy law, the appointment of a receiver, a foreclosure action by a secured party, or a court order dispossessing the prior licensee of all rights of possession pursuant to article 40 of title 13, C.R.S.

(6) A temporary permit may be canceled, revoked, or summarily suspended if the local or state licensing authority determines that there is probable cause to believe that the transferee has violated any provision of this article or article 46 of this title or has violated any rule or regulation adopted by the local or state licensing authority or has failed to truthfully disclose those matters required pursuant to the application forms required by the department of revenue.

**12-47-304. State licensing authority - application and issuance procedures - definitions.**

(1)(a) Applications for licenses under the provisions of this article and articles 46 and 48 of this title shall be made to the state licensing authority on forms prepared and furnished by the state licensing authority and shall set forth such information as the state licensing authority may require to enable the authority to determine whether a license should be granted. Such information shall include the name and address of the applicant, and if a partnership, also the names and addresses of all the partners, and if a corporation, association, or other organization, also the names and addresses of the president, vice-president, secretary, and managing officer, together with all other information deemed necessary by the licensing authority. Each application shall be verified by the oath or affirmation of such person or persons as the state licensing authority may prescribe.

(b) Notwithstanding the requirements of paragraph (a) of this subsection (1), an applicant seeking licenses for multiple locations may request the state licensing authority to establish a master file. All requests for a master

file shall be made on forms provided by the state licensing authority and shall contain such information as the state licensing authority may require to enable the authority to determine the suitability of the license applicant and its principal owners as required pursuant to section 12-47-307. The state licensing authority shall either approve the request for a master file and issue an approval letter, or deny the request pursuant to the provisions of section 12-47-305. Any change to information contained in the master file shall be reported by the applicant or licensee to the state licensing authority within thirty days after the change. Failure to report all changes as required may be grounds for suspension or revocation of a license or licenses as determined by the state licensing authority. No local licensing authority shall require applicants with an approved master file to file additional background investigation forms or fingerprints. Nothing in this section shall prohibit a local licensing authority from conducting its own investigation, or from verifying any of the information provided by the applicant, or from denying the application of the applicant pursuant to the provisions set forth in section 12-47-307.

(c) As used in this part 3, "master file" means a file that is established by the state licensing authority and that contains licensing and background information for an applicant seeking licenses pursuant to this article in multiple locations. Such master file shall be available to the local licensing authority.

**12-47-424. Distillery pub license – legislative declaration – definition**

(1) The general assembly finds and determines that:

(a) Colorado is a state that welcomes and encourages entrepreneurs and new business opportunities;

(b) Currently, manufacturing of spirituous liquors by persons licensed as manufacturers pursuant to section 12-47-402 is a thriving industry, with new distilleries opening throughout the state and increasing the availability of Colorado-produced craft spirits both within and outside the state;

(c) The spirituous liquors manufacturing business focuses primarily on producing a spirituous liquor product that the licensed spirits manufacturer can then sell and distribute, through a wholesaler, throughout the state and in other states to retail outlets;

(d) While licensed spirits manufacturers are permitted to sell their products directly to consumers, the majority of the manufacturing business is selling the bulk of a manufacturer's product to retail outlets that then sell the product to consumers;

(e) On the other hand, the main focus of a distillery pub business authorized by this section is to operate a local pub in which food and alcohol beverages, including a small quantity of spirituous liquors fermented and distilled on site, are sold and served for on-premises consumption;

(f) While a distillery pub is allowed to produce, serve, and distribute its own spirituous liquors, unlike a licensed spirits manufacturer, the production level for a distillery pub is capped, and the ability to distribute to retail outlets is greatly restricted, thereby establishing a new business model that is distinct from, and serves a different clientele than, a licensed spirits manufacturer;

(g) Additionally, unlike a licensed spirits manufacturer, which is only required to obtain a license from the state licensing authority, a distillery pub must obtain both a state and local license after demonstrating that the distillery pub meets the reasonable requirements and the desires of the adult inhabitants of the neighborhood in which it will be situated; and

(h) It is important to encourage the new distillery pub business model, which will add to the thriving craft spirits industry in this state without disrupting the ever-growing spirituous liquors manufacturing industry.

(2) A distillery pub license may be issued to any person operating a distillery pub and also selling food and alcohol beverages for consumption on the premises. At least fifteen percent of the gross on-premises food and alcohol beverage income of the licensed distillery pub must be from the sale of food. For purposes of this subsection (2), "food" means a quantity of foodstuffs of a nature that is ordinarily consumed by an individual at regular intervals for the purpose of sustenance.

(3) During the hours established in section 12-47-901 (5) (b), a licensed distillery pub may, with regard to spirituous liquors fermented and distilled by the distillery pub licensee on the licensed premises:

- (a) Furnish its spirituous liquors for consumption on the premises;
- (b) Sell its spirituous liquors to independent wholesalers for distribution to licensed retailers;
- (c) Sell its spirituous liquors to the public in sealed containers for off-premises consumption, as long as the spirituous liquors are fermented, distilled, and packaged on the licensed premises by the licensee; or
- (d) Sell its spirituous liquors at wholesale to licensed retailers in an amount up to two thousand seven hundred liters per spirituous liquor product per calendar year.

(4)(a) Except as provided in paragraph (b) of this subsection (4), every person selling alcohol beverages pursuant to this section must purchase alcohol beverages, other than those that are fermented and distilled at the licensed distillery pub, from a wholesaler licensed pursuant to this article or article 46 of this title.

(b)(I) During a calendar year, a person selling alcohol beverages as provided in this section may purchase not more than two thousand dollars' worth of:

(A) Malt, vinous, and spirituous liquors from a retailer licensed pursuant to section 12-47-407 or 12-47-408; and

(B) Fermented malt beverages from a retailer licensed pursuant to section 12-46-104 (1)(c).

(II) The distillery pub licensee shall retain evidence of each purchase of malt, vinous, and spirituous liquors from a retailer licensed pursuant to section 12-47-407 or 12-47-408 and each purchase of fermented malt beverages from a retailer licensed pursuant to section 12-46-104 (1)(c), in the form of a purchase receipt showing the name of the licensed retailer, the date of purchase, a description of the alcohol beverages purchased, and the price paid for the alcohol beverages. The licensee shall retain the receipt and make it available to state and local licensing authorities at all times during business hours.

(5)(a) Except as provided in paragraph (b) of this subsection (5), it is unlawful for any owner, part owner, shareholder, or person interested directly or indirectly in a distillery pub license to conduct, own either in whole or in part, or be directly or indirectly interested in any other business licensed pursuant to this article or article 46 of this title.

(b) A person interested directly or indirectly in a distillery pub license may conduct, own either in whole or in part, or be directly or indirectly interested in:

(I) Other distillery pub licenses;

(II) A license described in section 12-46-104 (1)(c), 12-47-401 (1)(j) to (1)(t), or 12-47-410 (1); or

(III) A financial institution referred to in section 12-47-308 (4).

except hard cider produced by Colorado licensed wineries and sold, offered for sale, or used in this state. An amount equal to one hundred percent of the excise tax surcharge collected pursuant to this subparagraph (III) shall be transferred from the general fund to the Colorado wine industry development fund created in section 35-29.5-105, C.R.S. Such transfers shall be made by the state treasurer as soon as possible after the twentieth day of the month following the collection of such excise tax surcharge.

(c) An excise tax of ten dollars per ton of grapes is imposed upon all grapes of the vinifera varieties or other produce used in the production of wine in this state by a licensed Colorado winery or vintner's restaurant, whether true or hybrid. The excise tax imposed pursuant to this paragraph (c) shall be paid to the department of revenue by the licensed winery or vintner's restaurant at the time of purchase of the product by the winery or vintner's restaurant or of importation of the product, whichever is later. An amount equal to one hundred percent of such excise tax shall be transferred from the general fund to the Colorado wine industry development fund created in section 35-29.5-105, C.R.S. Such transfers shall be made by the state treasurer as soon as possible after the twentieth day of the month following the collection of such excise tax.

(d) The policy of this state is that alcoholics and intoxicated persons may not be subjected to criminal prosecution because of their consumption of alcohol beverages, but rather should be afforded a continuum of treatment in order that they may lead normal lives as productive members of society. The general assembly finds that the cost of implementing a statewide treatment plan is greater than originally estimated. By increasing the excise tax on alcohol beverages in Colorado, it is the intent of this general assembly that the increased revenues derived from this subsection (1) be viewed as one of the sources of funding for the future development of alcoholism treatment programs under the statute enacted in 1973 and for the payment of other related direct and indirect costs caused by the consumption of alcohol beverages.

(2) The state licensing authority shall make and publish such rules and regulations to secure and enforce the collection and payment of such tax as it may deem proper if such rules and regulations are not inconsistent with the provisions of this article.

(3) Except as provided in paragraph (c) of subsection (1) of this section, the excise taxes and excise tax surcharges provided for in this section shall be paid to the department of revenue upon the filing of the return provided for in subsection (4) of this section and shall be delivered to the department on or before the twentieth day of the month following the month in which such alcohol beverages are first sold in this state. As used in this subsection (3), "first sold" means the sale or disposal that occurs when a licensed wholesaler sells, transfers, or otherwise disposes of a product, when a manufacturer sells to a licensed wholesaler or a consumer, or when a holder of a winery direct shipper's permit ships to a personal consumer in this state.

(4) Each licensed manufacturer and wholesaler of alcohol beverages within this state shall file, on or before the twentieth day of each month, an exact, verified return with the state licensing authority showing for the preceding calendar month the quantities of alcohol beverages:

- (a) Constituting the licensee's beginning and ending inventory for such month;
- (b) Manufactured by the licensee in this state;
- (c) Shipped to the licensee from within this state and received by the licensee in this state;
- (d) Shipped to the licensee from outside this state and received by the licensee in this state;
- (e) Sold or disposed of by the licensee to persons or purchasers in this state;
- (f) Sold or disposed of by the licensee to persons or purchasers outside this state, separately indicating those sales or transactions of alcohol beverages to which the excise tax is not applicable; and

(g) For persons licensed pursuant to section 12-46-104 (1)(a), 12-47-402 (2.5), 12-47-403 (2)(a), or 12-47-415 (1)(b), a separate report of vinous liquors, malt liquors, or fermented malt beverages, as applicable, that were manufactured or inventoried in, or transferred from, an alternating proprietor licensed premises.

(4.5) Each holder of a winery direct shipper's permit under section 12-47-104 shall file, on or before the twentieth day of each calendar month, an exact, verified return with the state licensing authority showing for the preceding calendar month the quantities of vinous liquor shipped to personal consumers in this state.

(5) The return, on forms prescribed by the state licensing authority, shall also show the amount of excise tax payable, after allowances for all proper deductions, for alcohol beverages sold by the manufacturer, wholesaler, or holder of a winery direct shipper's permit in this state and shall include such additional information as the state licensing authority may require for the proper administration of this article. The payment of the excise tax provided for in this section, in the amount disclosed by the return, shall accompany the return and shall be paid to the department of revenue. Each manufacturer, wholesaler, or holder of a winery direct shipper's permit

required to file a return shall keep complete and accurate books and records, accounts, and other documents as may be necessary to substantiate the accuracy of his or her return and the amount of excise tax due and shall retain such records for a period of three years.

(6) The state licensing authority, after public hearing of which the licensee shall have due notice as provided in this article, shall suspend or revoke any license or winery direct shipper's permit issued pursuant to this article for a failure to pay any excise tax required by this article and may suspend or revoke such license or permit for a violation of or failure to comply with the rules promulgated by said authority.

(7) If the excise tax is not paid when due, there shall be added to the amount of the tax as a penalty a sum equivalent to ten percent thereof and, in addition thereto, interest on the tax and a penalty at the rate of one percent a month or fraction of a month from the date the tax became due until paid. Nothing in this section shall be construed to relieve any person otherwise liable from liability for payment of the excise tax.

(8) The department of revenue shall make a refund or allow a credit to the manufacturer, the wholesaler, or the holder of a winery direct shipper's permit, as the case may be, of the amount of the excise tax paid on alcohol beverages sold in this state when, after payment of the excise tax, such alcohol beverages are rendered unsalable by reason of destruction or damage upon submission of evidence satisfactory to the state licensing authority that such excise tax has actually been paid. Such refund or credit shall be made by the department within sixty days after the submission of evidence satisfactory to the department.

(9)(a) In order to economize and to simplify administrative procedures, the state licensing authority may authorize a procedure whereby a manufacturer or wholesaler of alcohol beverages or holder of a winery direct shipper's permit entitled by law to a refund of the tax provided in this section may instead receive a credit against the tax due on other sales by claiming said credit on the next month's return and attaching a duplicate bill of lading, invoice, or affidavit showing such transaction.

(b) To the extent and so long as federal law precludes this state from collecting its excise tax on vinous and spirituous liquors sold and delivered on ceded federal property, any manufacturer or wholesaler of such liquors making any such sales and deliveries on such federal property within the boundaries of this state may receive a refund of or a credit for the excise tax paid this state on such liquors.

**12-47-504. Lien to secure payment of taxes - exemptions - recovery.**

(1)(a) The state of Colorado and the department of revenue shall have a lien, to secure the payment of the taxes, penalties, and interest imposed pursuant to section 12-47-503 upon all the assets and property of the wholesaler or manufacturer owing such tax, including the stock in trade, business fixtures, and equipment owned or used by the wholesaler or manufacturer in the conduct of business, as long as a delinquency in the payment of such tax continues. Such lien shall be prior to any lien of any kind whatsoever, including existing liens for taxes.

(b) Any wholesaler and manufacturer or person in possession shall provide a copy of any lease pertaining to the assets and property described in paragraph (a) of this subsection (1) to the department of revenue within ten days after seizure by the department of such assets and property. The department shall verify that such lease is bona fide and notify the owner that such lease has been received by the department. The department shall use its best efforts to notify the owner of the real or personal property that might be subject to the lien created in paragraph (a) of this subsection (1). The real or personal property of an owner who has made a bona fide lease to a wholesaler or manufacturer shall be exempt from the lien created in paragraph (a) of this subsection (1) if such property can reasonably be identified from the lease description or if the lessee is given an option to purchase in such lease and has not exercised such option to become the owner of the property leased. This exemption shall be effective from the date of the execution of the lease. Such exemption shall also apply if the lease is recorded with the county clerk and recorder of the county where the property is located or based or a memorandum of the lease is filed with the department of revenue on such forms as may be prescribed by said department after the execution of the lease at a cost for such filing of two dollars and fifty cents per document. Motor vehicles that are properly registered in this state, showing the lessor as owner thereof, shall be exempt from the lien created in paragraph (a) of this subsection (1); except that said lien shall apply to the extent that the lessee has an earned reserve, allowance for depreciation not to exceed fair market value, or similar interest which is or may be credited to the lessee. Where the lessor and lessee are blood relatives or relatives by law or have twenty-five percent or more common ownership, a lease between such lessee and such lessor shall not be considered as bona fide for the purposes of this section.

(2)(a) Any wholesaler or manufacturer who files a return pursuant to section 12-47-503 but who fails to accompany it with payment of the excise tax disclosed on the return shall be sent a notice by the executive director of the department of revenue. Such notice shall state that the excise tax is due and unpaid and shall state the amount of the tax, penalty, and interest owed pursuant to section 12-47-503. The notice shall be sent by first-class mail and shall be directed to the last address of such wholesaler or manufacturer on file with the department of revenue.

(b)(I) If a wholesaler or manufacturer fails to file both the return and the payment required by section 12-47-503, the executive director of the department of revenue shall make an estimate, based upon such information as may be available, of the amount of taxes due for the period for which the wholesaler or manufacturer is delinquent and shall add any penalty and interest authorized in section 12-47-503. The executive director shall give the delinquent taxpayer written notice of such estimated tax, penalty, and interest, which notice shall be sent by first-class mail, and shall be directed to the last address of such person on file with the department of revenue.

(II) The remedies available to a taxpayer pursuant to article 21 of title 39, C.R.S., shall be available to any wholesaler or manufacturer who seeks to contest the estimated tax, penalty, or interest specified in the notice mailed pursuant to subparagraph (I) of this paragraph (b).

(3) If any taxes, penalties, or interest imposed pursuant to section 12-47-503 are not paid within ten days after the notice is mailed pursuant to subsection (2) of this section, the executive director of the department of revenue may seek to enforce collection of the unpaid amounts in accordance with the provisions of article 21 of title 39, C.R.S., to the extent that such provisions are not in conflict with or inconsistent with the provisions of this article.

## **PART 6 DISCIPLINARY ACTIONS**

### **12-47-601. Suspension - revocation – fines**

(1) In addition to any other penalties prescribed by this article or article 46 or 48 of this title, the state or any local licensing authority has the power, on its own motion or on complaint, after investigation and public hearing at which the licensee shall be afforded an opportunity to be heard, to suspend or revoke any license or permit issued by such authority for any violation by the licensee or by any of the agents, servants, or employees of such licensee of the provisions of this article, or any of the rules or regulations authorized pursuant to this article or of any of the terms, conditions, or provisions of the license or permit issued by such authority. Any licensing authority has the power to administer oaths and issue subpoenas to require the presence of persons and the production of papers, books, and records necessary to the determination of any hearing that the licensing authority is authorized to conduct.

Any license or permit may be summarily suspended by the issuing licensing authority without notice pending any prosecution, investigation, or public hearing. Nothing in this section shall prevent the summary suspension of such license or permit for a temporary period of not more than fifteen days.

(3)(a) Whenever a decision of the state or any local licensing authority suspending a license or permit becomes final, whether by failure of the licensee to appeal the decision or by exhaustion of all appeals and

judicial review, the licensee may, before the operative date of the suspension, petition for permission to pay a fine in lieu of the license or permit suspension for all or part of the suspension period. Upon the receipt of the petition, the state or the local licensing authority may, in its sole discretion, stay the proposed suspension and cause any investigation to be made that it deems desirable and may, in its sole discretion, grant the petition if it is satisfied that:

(I) The public welfare and morals would not be impaired by permitting the licensee to operate during the period set for suspension and that the payment of the fine will achieve the desired disciplinary purposes; and

(II) The books and records of the licensee are kept in such a manner that the loss of sales of alcohol beverages that the licensee would have suffered had the suspension gone into effect can be determined with reasonable accuracy.

(III) (Deleted by amendment, L. 2014.)

(b) The fine accepted shall be the equivalent to twenty percent of the licensee's estimated gross revenues from sales of alcohol beverages during the period of the proposed suspension; except that the fine shall be not less than two hundred dollars nor more than five thousand dollars.

(c) Payment of any fine pursuant to the provisions of this subsection (3) shall be in the form of cash or in the form of a certified check or cashier's check made payable to the state or local licensing authority, whichever is appropriate.

Fines paid to the state licensing authority pursuant to subsection (3) of this section shall be transmitted to the state treasurer who shall credit the same to the general fund.

(5) In connection with any petition pursuant to subsection (3) of this section, the authority of the state or local licensing authority is limited to the granting of such stays as are necessary for it to complete its investigation and make its findings and, if it makes such findings, to the granting of an order permanently staying the imposition of the entire suspension or that portion of the suspension not otherwise conditionally stayed.

(6) If the state or the local licensing authority does not make the findings required in paragraph (a) of subsection (3) of this section and does not order the suspension permanently stayed, the suspension shall go into effect on the operative date finally set by the state or the local licensing authority.

(7) The provisions of subsections (3) to (6) of this section shall be effective and may be implemented by the state licensing authority upon its decision to accept and adopt the optional procedures set forth in said subsections. (IV) The popularity of AWOL devices is increasing in the nightclub and bar businesses throughout the nation; and
