screenings more
than doubled

Wellness

More than 73%
of those eligible
received
physicals

Nearly
doubled flu
shots

183,875 eligible
adults accessed
dental services

*The below shows **preliminary data** based on claims on Colorado Medicaid adult dental benefit. The Department launched the full adult dental benefit in July 2014, thus with claims run out does not yet have a full year of data.*

Utilization information, with exception of dental, is from claims data comparing 2013 and 2014 information.

Our mission is to improve health care access and outcomes for the people we serve while demonstrating sound stewardship of financial resources.
