# Steps in the Renewal Process

## Developing the Final Product

*We are here*

**COLORADO**

Water Quality Control Division

Department of Public Health & Environment

# General Permit: Considerations

- House Bill 12-1119
- EPA Effluent Limitation Guidelines
- Stormwater inspections conducted at construction sites.
- EPA and other state's - most recent construction stormwater general permits.

**COLORADO**

Water Quality Control Division

Department of Public Health & Environment

# General Permit: Notable changes

- Change permit number:
  - From COR030000 to COR400000.
- Adjust layout of permit.
- Removal of uncontaminated groundwater to land.
  - Covered under a low risk discharge policy.

**COLORADO**

Water Quality Control Division

Department of Public Health & Environment

# General Permit: Notable changes

- Added 7 day inspection frequency option
- Added definition for a qualified stormwater manager.

**COLORADO**

Water Quality Control Division

Department of Public Health & Environment

# General Permit: Notable changes

- Incorporate EPA Effluent Limitation Guidelines.
  - Examples:
    - Maintaining pre-existing vegetation within 50 feet of a surface waterbody, unless infeasible.
    - Temporary soil stabilization.
    - Surface outlets for discharges from basins and impoundments
    - The term infeasible –  
“Not technologically possible, or not economically practicable and achievable in light of best industry practices.”

**COLORADO**

Water Quality Control Division

Department of Public Health & Environment

# General Permit: Notable changes

- Control Measure Requirements.
  - Structural and Non-structural.
  - Control measure requiring routine maintenance.
  - Inadequate Control Measure.

**COLORADO**

Water Quality Control Division

Department of Public Health & Environment

# General Permit: Notable changes

- Owner/Operator Requirements
  - Background:
    - House Bill 12-1119 stakeholder process.
    - EPA and other states.

**COLORADO**

Water Quality Control Division

Department of Public Health & Environment

# General Permit: Notable changes

- Owner/Operator Requirements
  - Draft:
    - Requires the owner and operator's signatures
    - Allows flexibility for owner's signature
    - Allows flexibility for operator to terminate

# Questions?

**COLORADO**

Water Quality Control Division

Department of Public Health & Environment

# Making the Most Effective Comments

- Cite the specific part of the permit.
- Tell us how to make it better. Be specific!
- Why is the change important to YOU?
- Provide data or new information.

**COLORADO**

Water Quality Control Division

Department of Public Health & Environment

# Next Steps

- Address questions to Kendra.
- Submit final comments by 12/16/16.
- You don't need to reapply.
- Make sure contacts are up to date.
- We will build in time to comply.
