

COLORADO
Department of Health Care
Policy & Financing

Dear Pharmacy Providers,

Pharmacy providers are currently unable to see the Managed Care assignments (including whether a member is enrolled in CHP+) in the PBMS.

All enrolled and approved providers can register for, and use, the new HPE Provider Web Portal. The new HPE Provider Web portal **will** show you Managed Care Assignments.

Please visit the [new HPE Provider Web Portal](#) to register for an account. Once you have registered, you can follow [these instructions to find a members Managed Care Assignment](#).

If you need any assistance with creating your HPE Provider Web Portal account, please call the Health First Colorado Provider Service Center at: 1-844-235-2387.

Do not respond to this email. It is not a monitored account.

Thank you,

The Department of Health Care Policy and Financing
