

Need a ride to your medical appointments?

In partnership to better serve you

IntelliRide
by  transdev

Health First Colorado (Colorado's Medicaid program) has a Non-Emergent Medical Transportation benefit that provides members with rides to medical appointments through IntelliRide.

Colorado Department of
Health Care Policy & Financing
1570 Grant Street
Denver CO 80203

IntelliRide can help:

-  **Find** out if someone is eligible for a ride.
-  **Schedule** to change or cancel trips.
-  **Locate** drivers if they are running behind schedule.
-  **Report** a complaint or concern about service.
-  **Provide** information about mileage reimbursement for rides from friends or family.

Call for a ride to your medical appointment.

IntelliRide's toll-free number: **1-855-489-4999**; State Relay: **711**
Visit **HealthFirstColorado.com/NEMT** to learn more.

IntelliRide does not provide emergency medical transportation. Anyone having a medical emergency should call 911.

Cut here and put on your refrigerator.
