NOTICE OF SCHEDULED WATER OUTAGES

The Paint Brush Hills Metropolitan District will perform water system repairs on Rockingham Drive and Waterbury Drive on Wednesday, January 6, 2016 and Thursday, January 7, 2016. These repairs may require the shut-off of water mains. As a result, properties at the west loop of Rockingham Drive, and on Waterbury Drive between Liberty Grove Drive and Worchester Court may experience a temporary loss of water on each of the repair dates.

We apologize in advance for any inconvenience this may cause you. We will make every effort to minimize the duration of the water main shut-offs.

Sincerely,

PAINT BRUSH HILLS
METROPOLITAN DISTRICT
