Gunnison State Driver License Office to relocate May 17

May 11, 2016 – DENVER, Colo. – Beginning May 17, 2016, the Gunnison State Driver License Office will relocate to 108 East Georgia Avenue. The office is currently located in the Blackstock Government Building in Gunnison. The last day of driver license services at the Blackstock location will be May 12.

Office hours at the new location will remain the same – 9:30 a.m. – noon and 1 p.m. – 3:30 p.m. Tuesdays and Thursdays.

The new office location will allow Colorado residents more space to complete their transactions and, coming soon, technology upgrades such as an automated queuing system and the ability to book appointments for many driver license services online.

Colorado residents are reminded that many services, such as driver license and motor vehicle registration renewal are available online, where you're always first in line, at www.colorado.gov/dmv.
