Apps for iPad and iPhone

Class offered June 9 at Senior Center

Curious about how to use those APPS on your iPad or iPhone? Some may even say, what is that? An APP or mobile APP is software that causes a computer or mobile device to perform certain functions for the user. It can be a little overwhelming if you don't know how to use these helpful features of your devices. A new class at the Senior Center will show you how to use these iPad or iPhone features: camera/photos; contacts/FaceTime; calendars/reminders and maps. The class, Apps for iPad and iPhone, will be held on Tuesday, June 9 from 1:00 to 3:00 p.m. at the Estes Park Senior Center, 220 Fourth Street. The cost is \$15 for members of Estes Park Senior Citizens Center, Inc. or \$19 for non-members. Register by June 2 with cash or check payable to the Town of Estes Park.

In this class, participants will learn: how to configure an APP in Settings and in the APP itself; privacy and location settings; how to open the APP in different ways, even using SIRI; how to move data and share it with others and how to use iCloud settings for APPS.

This class is for those who already own an Apple iPhone 4s, 5, 5s, 6 and/or iPad 2, 3, 4, Air, Air2 and/or iPad Mini. In addition, your device must be upgraded to the latest version of iOS8+.

Thanks to Blake Robertson and the Estes Park Internet Computer Users Group (EPICUG) for teaching these hands-on classes for the Senior Center.

For more information, please contact the Estes Park Senior Center at (970) 586-2996 or visit the Center at 220 Fourth Street, Monday through Friday between 9:00 a.m. and 4:00 p.m. Please visit the Senior Services website at www.estes.org/seniorcenter.
