## UPDATE: Denver Central Driver License Office relocation postponed until April 3

March 27, 2017 - Denver, Colo. - The Denver Central Driver License Office relocation to 3265 S. Wadsworth Blvd., Lakewood has been postponed until April 3, 2017. **Services will continue to take place at 1865 W. Mississippi Ave. in Denver through March 31.**

The new Westgate location, located 6.6 miles from the previous location, offers more space, which will allow the DMV to maintain the current level of service, while allowing for future options of expanding service capability. The new location is also easy to access as it is located on bus lines 30, 78 and 87L, is near the intersection of U.S. 285 and Wadsworth Blvd. and offers convenient, free parking for customers arriving by car.

The following services will be offered at the new location:

- Issuance of new driver licenses, instruction permits and identification cards.
- Renewal of driver licenses, instruction permits and identification cards.
- Motor vehicle (driving) records.
- Written tests for non-commercial and commercial driver licenses (CDL) and motorcycle endorsements.
- Drive skills test for non-commercial driver licenses and motorcycle endorsements (appointment only).
- Reinstatements.
- SB13-251 appointments.
- Remote Exceptions Processing.

The lease at the current location expired and the new location was chosen through a bid process, to which the current landlord did not respond.
