ORIENTATION TO  
State of Colorado  
State Price Agreements

This document explains how to access the current State of Colorado Price Agreements. These agreements may be used not only by State Agencies, Institutions of Higher Education but also by the Political Subdivision including municipalities, school districts, special districts and also by qualified Non-Profit agencies.

A few pointers:

1. Review Price Agreement to make sure the effect date is still valid and meets your needs.
2. No additional vendor selection is needed!
3. Comply with requirements for prior approval.
4. Prepare appropriate commitment documentation.
5. Be sure to reference the Price Agreement in your commitment document.
6. Complete required documentation before vendor is authorized to start performance.
7. Monitor and enforce vendor and agency performance.

Basic Instruction for accessing the State Price Agreements:

1. You will need to open your web browser and enter the following website:

   http://www.gssa.state.co.us, click on the “State Purchasing Office” link, scroll down to “Current Price Agreements” link and click.

   - or -

   http://www.gssa.state.co.us/PriceAwd.nsf/PublishedAgreements%20by%20Category%20for%20Web?OpenView&Start=1&Count=200&Collapse=25#25

You will see that the price agreements are listed in alphabetical order by the commodity name. The list on the next page is current as of July 1, 2009. This list does change as there are additions or deletions to the agreements.
2. Scroll down the list and select a commodity. Click on the blue triangle to get the commodity to expand and show the agreements for that commodity. There may be as few as one agreement or multiple agreements under each category based on the requirements of each commodity.

Published Agreements by Category
The State of Colorado procures many services and commodities under State Commodity & Service Agreements. These contracts generally do not have a set amount, however, as State Agencies need something, they contact the vendor with the agreement. Agreements generally run for a year, with the possibility of renewal for a set period after the year is over.

3. Click on the link to open the individual price agreement. This page contains all the information/attachments regarding the agreement. See sample on the following pages.

You will need to read the information carefully to see if the price agreement covers the items/services you are requiring.

Information includes:
- The agreement number (upper left corner);
- The agreement status (“current” is what you should see);
- The commodity category and description;
- Period covered;
- Options to renew;
- Any amendment history;
- Ordering information – vendor contact information;
- A reference to the solicitation that was performed to result in the price agreement;
- Conditions of the agreement – please be sure to review this carefully;
- Agreement prices – these may change – so please check the website each time you are ready to purchase.

Please remember that the vendors have agreed to these terms and conditions as well as the pricing. Vendors are not required to agree to any additional terms and conditions, your individual agency’s desires to impose. Pricing is considered to be a “ceiling” or “maximum”; if large quantities are required you can negotiate with the awarded vendor for deeper discounts on the items/services included in the price agreement.

The page also contains the contact information of the responsible purchasing agent in the State Purchasing Office (upper right corner) should you have any questions or concerns regarding one of the agreements.

• Reports available by agency for Green product usage and supply chain environmental impacts.

Description of "Core item" pricing:

• Approximately 300 "Core items" were used as the basis for evaluating and awarding the WSCA price agreement.

>>>"Core Item" pricing represents the **lowest market price** for each item, found in the following spreadsheet. The WAXIE Core Items price list represents the lowest cost items from major janitorial categories, including hard floor care, carpet care, institutional soap, institutional paper and liners, and cleaning accessories.

The core item listing is a **subset of all items** offered on this price agreement.

WAXIE WSCA Core Items price list 07-2009.xlsx

NOTE: The far right column of this spreadsheet identifies the Green designation for specific core items.

This Colorado price agreement partnership with WSCA offers agencies over 4000 Janitorial products from a huge selection of manufacturers.

Contact the WAXIE Field Representative in your area for further details.
