

Health Sector Partnership Region 2 Larimer & Weld County

NORTHERN

COLORADO

HEALTH SECTOR PARTNERSHIP

Vision

- The Northern Colorado Health Sector Partnership brings together key stakeholders to promote and improve health within our communities. We will collaborate across disciplines, organizations and communities to seize opportunities, solve problems and celebrate successes in the region.

Values of the Partnership

- Our collaborative actions will increase the overall health of our communities.
- We will have diverse, regional partners at the table to ensure outstanding networking and collaboration opportunities.
- We will affect change.
- We will consciously share and develop resources to solve big issues.
- Action and Participation are key to our long term success and will be celebrated and held in high esteem.

OUR MISSION

The Northern Colorado Health Sector Partnership brings together key stakeholders to promote and improve health within our communities. We will collaborate across disciplines, organizations and communities to seize opportunities, solve problems and celebrate successes in the region.

Workforce Success to Date

- Diversity Train the Trainer in partnership with Kaiser Permanente. 20 trainers available and active with KP materials.
- Job Fair with the Fort Collins Chamber Health Care Summit with 20 companies meeting with over 80 applicants
- Focus moving forward:
 - Healthcare Career Awareness and Exposure: speakers bureaus, school connections
 - Curriculum and Career Pathways: specific to Northern Colorado (Medical Assistants)

PASSR Success to Date

- PASSR: Preadmission Screening and Resident Review
- Northern Colorado is leading the effort to change out of date federal and state regulations that harm the care of patients as they await paperwork to transfer to a nursing facility.
- Regular meetings with state regulators and industry representatives.

NORTHERN

COLORADO

HEALTH SECTOR PARTNERSHIP

Behavioral Health Success to Date

- Thanks to leadership of the Partnership, Larimer County is launching an effort to build a residential treatment facility
- Now revisiting overall goals for 2016
