Dear Home Health or Private Duty Nursing Provider,

The Department of Health Care Policy & Financing (the Department) has identified that your agency was reimbursed for claims between March 2017 and August 2018 that were not prior authorized as required by Department policy. In accordance with these policies, the Department must recoup payments made for claims submitted and reimbursed without proper prior authorization.

Adult Long-Term Home Health Services must be prior authorized by the client's Single Entry Point or Community Centered Board per Department billing manual policies and Colorado Code of Regulations (10 CCR 2505-10 8.520.8.B.3).

Pediatric Long-Term Home Health Services and all Private Duty Nursing Service must be prior authorized using [CobradoPAR](#) per Department billing manual policies and Colorado Code of Regulations (10 CCR 2505-10 8.540.7.A).

Refer to the [Home Health Billing Manual](#) and the [Private Duty Nursing Billing Manual](#) for more information.

Recoupment:

The identified claims that do not have an associated and approved Prior Authorization Request (PAR) will be recouped at a rate of 20% of the provider's weekly remittance advice amount, rather than the total amount owed. **The recoupment process will begin Monday, November 26, 2018.** Refer to the [Reading Your Remittance Advice \(RA\) Provider Portal Quick Guide](#) for more information on how the recoupment will appear on the RA.
