REGULATION 12-6-102 (1.5)

The term, "Computer Display," means any electronic device capable of presenting a commercial message.

REGULATION 12-6-102(12)

A new motor vehicle, is defined as "any motor vehicle being transferred for the first time from a manufacturer or importer, or dealer or agent or agent of a manufacturer or importer, and which motor vehicle has heretofore not been used, and is what is commonly known as a "new motor vehicle"."

For the purpose of administration of the Motor Vehicle Dealers and Salesperson Licensing Law, a "new" motor vehicle shall be deemed to be a motor vehicle sold by a Colorado licensed motor vehicle dealer, as defined in the Act, who is franchised by the manufacturer of that make of motor vehicle to sell such motor vehicles. Said motor vehicle shall not have been used as a demonstrator or for private use, or for any other purpose which would indicate "use" in the strict definition of the word "used." A motor vehicle which has been used by a dealer solely for the purpose of demonstration to prospective customers shall be considered a "new vehicle" , unless such demonstration use has been for more than Fifteen Hundred (1500) miles.

New motor vehicles may be exchanged between dealers enfranchised to sell the same make of vehicle by a proper assignment of the Manufacturer's Certificate of Origin.

Only wholesalers or "new" motor vehicle dealers franchised by manufacturers to sell their motor vehicles will be allowed to sell "new" motor vehicles, and only then if they have not previously been sold except by the manufacturer to such dealer.

A "used motor vehicle" is defined as any motor vehicle which has been sold, bargained, exchanged, given away, or the title thereto transferred from the person who first took title thereto from the manufacturer or importer, dealer or agent of the manufacturer or importer, or so used as to have become what is commonly known as a "secondhand motor vehicle". In the event of transfer on the certificate of origin, from the original franchised dealer to any other dealer or individual other than a franchised dealer of the same make of vehicle, the vehicle shall be considered a "used" motor vehicle, and must be titled in the new owner's name. Vehicles with more Than Fifteen Hundred (1500) miles of demonstration use shall be considered used' vehicles. Such "demonstrators" and other motor vehicles

which have been used by a dealer prior to their sale shall be titled in the dealer's name and sold as "used" motor vehicles.

All vehicles which do not qualify as "new" motor vehicles shall be deemed to be "used" motor vehicles for the purpose of administration of this Act.

REGULATION 12-6-102(13)

"Profit" may be "gain, benefit or advantage," but "gain, benefit or advantage" does not necessarily mean only "profit."

Profit may be defined as the difference between the price paid and the market value of the vehicle after deduction of the expenses incurred in the sale thereof.

Gain of money or other thing of value includes but is not limited to any increase or addition to what one has of that which is of profit, advantage or benefit.

A profit or gain does not necessarily mean a direct return; and therefore, a saving of expense which would otherwise be incurred is also a profit or gain to the person benefited.

REGULATION 12-6-102(16)

2. No off-premise sale shall exceed six days except for the National Western Stock Show, the Colorado State Fair, and the Metro Denver Auto Dealers Association annual Denver Auto Show, which shall not exceed twenty days. Consecutive permits for the same location are not allowed.

All records, including financial records and tax returns shall be provided upon subpoena by the Board.

4. Additional locations which are immediately adjacent to the principal place of business of the licensed dealer shall be considered contiguous for the purpose of this statute. Subject to any applicable local zoning or sign requirements, the additional location shall not have any signage which identifies the additional location as being operated under any name other than the name or tradename of the licensee's principal place of business. The additional location may not advertise under a different name than that under which the dealership is licensed.

ADVERTISING

The statutory basis for this regulation is 12-6-118(3)(k), C.R.S.

REGULATION 12-6-118(3)(k)

Advertising shall be construed to be misleading or inaccurate in the following particulars:

Rule 1. Advertising a motor vehicle which is not in operable condition unless specifically disclosed.

Rule 2. Advertising which would imply the dealer is going out of business when such is not the case.

Rule 3. Advertising a specific motor vehicle for sale or lease with price or terms quoted, without fully identifying the vehicle as to year, make, model and dealer stock number. Such vehicle shall be willfully shown and sold at the advertised price and/or terms while such vehicle remains unsold or unleased, for a period of five days following the last date the ad was published, unless the ad states that the advertised price and terms are good only for a specific time and such time has elapsed. If a specific number of motor vehicles is advertised, such vehicles must have been invoiced to the dealer.

Rule 4. Using a picture or photograph of a vehicle in advertising when the picture or photograph is not the same make, year and equipment actually being offered for the price or terms advertised.

Rule 5. Advertising in such a manner which utilizes an asterisk or other reference symbols to contradict or materially change the meaning of any advertising statements.

Rule 6. A used vehicle shall not be advertised in any manner that creates the impression that it is new.

Rule 7. Advertising motor vehicles which are known by the dealer to be salvage, rebuilt from salvage, or flood vehicles, which are not so identified in the advertisement.

Rule 8. Advertising in any manner to imply that a purchaser will be receiving benefits of any existing loan on a vehicle when no such benefit exists.

Rule 9. Advertising or making statements that are not true or that cannot or will not be honored. Advertising which creates the false impression that the purchaser will determine the terms, price or conditions of a sale, such as "write your own deal," "name your own price," "no reasonable offer refused," and "we will not be undersold." Advertising any item as "free" which is associated with or conditioned upon the negotiated sale of a motor vehicle.

Rule 10. Advertising sales prices for used motor vehicles which claim or imply a specific savings or discount without clearly and accurately documenting the basis for the savings or discount.

Rule 11. Advertising any reference to "dealer cost" or "invoice" price. Advertising the word "wholesale" in connection with the retail offering of motor vehicles.

Rule 12. Advertising a specific trade-in amount or range of amounts without, in fact, offering such a trade-in amount and, failing to disclose or advertise the M.S.R.P., sale price, or capitalized cost of the vehicle from which the trade-in will be deducted.

Rule 13. Advertising the price of a vehicle without including all costs to the purchaser at the time of delivery, except sales tax, finance charges, cost of emissions test, other governmental fees or taxes, and transportation costs, incurred after sale, to deliver the vehicle to the purchaser at the purchaser's request.

Rule 14. Advertising any specific discount or rebate on new motor vehicles without the manufacturer's suggested retail price conspicuously stated in the ad. When advertising rebates, incentives, or other offers, a dealer shall not combine such offers or give the impression that such offers are obtainable, when in fact they are not.
